Teach your children well

FROM THE PRINCIPAL

Hi everyone, GREAT to be back and going as strong as ever.

Deputy Principal for TCS

Yesterday we completed the shortlisting for our Deputy Principal's position and will be interviewing next week. We were very impressed with the number and quality of the applications and we will keep you posted regarding the outcome.

Many thanks to the panel for their hard work and professionalism in this demanding process.

Tell Them From Me Surveys

This term we will be completing the survey of all members of our community – students, teachers and families. Last year we conducted these surveys for staff and students and we were very pleased with the positive nature of the responses. This year we are extending this to community as well. The surveys, done on line, are absolutely anonymous and **so I urge you to take the opportunity to have your say**. We always encourage total honesty when communicating with all members of our community, whether the feedback be good or bad, so go for it – and tell us how you REALLY feel. I might go and cry in a corner, but don't worry – I'll get over it.

Huge thanks to Lea McKinnon who is managing the survey so efficiently. If you have any questions, or you need help – do not hesitate to call. The school computers are also available to you if you need our help in this area too.

Musical Success

Trangie Central School is intensely proud of the excellence of our music program. Students at our school have the opportunity to learn an instrument and receive tuition free of charge both inside and outside school hours. Over 40 students are learning a wide range of instruments – violin, cello, drums, clarinet, trumpet, guitar, flute, saxophone, piano.

We are very excited to see the first of our students progress onto formal music qualifications. Audrey Kater and Xanthe St Clair are both products of our wonderful program and will be sitting their Grade One Trinity Music Examination in violin in Bathurst next week. We know how much work has gone into reaching this standard and wish both girls the very best of luck.

We know that now someone has been brave enough to enter such a prestigious examination there will be many more to follow next year. Well done girls for being the first!

Dancing Success

At the end of last term Trangie Central's Aboriginal dance group once more wowed the crowds with their talent and skill at Narromine's NAIDOC celebration. Miss Skinner reported to me that she was not only extremely proud of the level of the students' performance but also of how they conducted themselves with the community members on the day. They did our school proud – AS ALWAYS!

The girls in the group have also been invited to dance at the Dubbo Aboriginal Women's Alliance conference at the Dubbo Showground next week. Our girls will dance and then have been invited to stay and listen to the guest speaker, Yvonne O'Neill which is an excellent opportunity for the girls. Go Trangie!!

Finally

My door is and always has been open – whether you are happy, sad or mad. I need to know if we are not doing something right but I also need to know that you trust our motives and our intentions. Everything we do, every single day is for YOUR children. If we can do it better, tell us.

All the best

Anne Holden

<p>Staff Smile of the Week (Week 9)</p> <p>Goes to Cheryl Rowley for always being willing to help no matter what.</p>	<p>Staff Smile of the Week (Week 10)</p> <p>Goes to Megan Liptyn for a terrific performance at assembly.</p>

Head Teachers' Report

Year 10 Work Experience

Year 10 completed their Work Experience in the second last week of Term 3 with some fantastic reports from the various employers in the area. Students chose a diverse range of occupations, including veterinary, diesel mechanic, music retail, sign writing, fitness and martial arts. I was able to visit most students and was extremely impressed with their attitudes and the rapport they had developed in the workplace over such a short time. Any students that still have their diaries outstanding need to get them into me as soon as possible so that I can give out their employer report. Congratulations Year 10 on an excellent week and for representing Trangie Central School so well.

Mrs Rush

Year 9 Charles Sturt University Future Moves in Dubbo

Year 9 attended the Future Moves program at Charles Sturt University in Dubbo in Week 9 of last term. This program is designed to entice students into thinking about university as an option post Year 12. Current university students acted as team leaders for the day and our students were encouraged to ask them questions about courses and study pathway options. Our students attended a variety of workshops covering subjects such as nursing, drama and media. Students had an informative day on the Dubbo CSU campus and can be commended on representing Trangie Central School admirably.

Mrs Rush

Year 9/10 History/English Film - 'Outback Surfer'

On 16 September, Year 9/10 (1) completed a short film for the 2015 Robin Anderson Film Awards. For two weeks, we planned and directed the film. Just about everyone helped either with planning the film or acting in it. We were also very lucky to have some local community members let us use their car and surf boards for the movie. We also had a couple of teachers volunteer their time to help out with being in the movie. Our class had some very unique, but funny ideas which actually worked. I really enjoyed making the movie. All the ideas really worked, but there were some things we could have worked on, like how Mal's hand was incorrectly placed with the microphone!

Meegan Seymour - Year 9

From the 9th to the 16th of September, Year 9/10 (1) participated in the 2015 Robin Anderson Film Awards. The filming was conducted at Trangie Central and the Trangie Cowal. The film was about the unusual surfing culture in a small central western NSW town, and was a perfect finish to our current History topic, Popular Culture. Nineteen students worked on the two week project to make it all possible. Our props were sourced from the very generous Mark and David Dugan, who let us borrow their surfboards and Holden Ute to create the 1960s theme. Plenty of time and dedication was put into creating the perfect scene which involved travelling to the Trangie Cowal. The things that I believe worked really well were the script, the setting, organisation and the fact that it was magpie season which fitted in perfectly with the filming.

Daniel Flannery - Year 10

*Have a great weekend.
Deb Waters*

Teach your children well

TERM FOUR - Week 1

General Business

Welcome back to Term 4!

Preliminary Examinations are done and dusted....

Now our Preliminary students will be starting the HSC course. Students and parents/caregivers are reminded that we have a Homework Centre that is held on Monday afternoons. This is a great opportunity for students to tackle those assessments early and get extra support if needed from our dedicated staff.

2015 HSC STUDENTS

We wish them all the best in their HSC examinations. Hopefully they have all prepared themselves and have been studying hard in the holidays and have recovered from their Year 12 Farewell!

APPS OF THE WEEK

Veggie Guide- An essential guide for all gardeners and Agriculture teachers.

Audio Notes- Record audio whilst taking notes.

Feel free to visit the Western Access Program website for more information about the program, policies and procedures.

Assistant Principals' Report

Premier's Spelling Bee

Last term, four children represented the school in the regional finals of the Premier's spelling bee, held at Dubbo West Primary School. Each division had thirty three competitors and Trangie Central School had their best results so far with Sophia Hayden making it to third place in the Senior division and Sofie Foster making it into the fourth round in the Junior division.

The children had quite a tense ride into Dubbo, each practising their words by testing each other and doing some last minute cramming. It was really lovely to see how well the children supported each other throughout the event and everyone gave it their best shot. Vincent was very impressed with the lunch, especially the chocolate cake...impressing the girls with his ability to eat so many pieces!

The competition works by eliminating a student as soon as they spell a word incorrectly. Below are the tricky words that the kids went out on....which of course they will remember how to spell for evermore!

Juniors

Sofie Foster - yearn

Vincent Coventry - trio

Seniors

Sophia Hayden - defibrillator

Xanthe St Clair - impeach

*The links between being able to spell well and being an avid reader are very clear.
Kids who read, succeed!*

No Hat, No Play

Please be advised that the 'No Hat/ no play' policy is back in force during Term Four. All DEC schools enforce a sunsafe policy. Please make sure your child has a school bucket hat for use at school each day. Hats are \$10 each and are available from the main office on the secondary side.

PRIMARY

Assistant Principals

Jacky Murtagh
Jo-Anne Ellis

Moorambilla Voices

A big congratulations to the five primary girls; Sophia, Katelyn, Bridie, Matilda and Mia who participated in the Moorambilla camps and gala concert. It was a spectacular event and the children gained an enormous amount of knowledge and experience.

Moorambilla Voices has, since its beginnings in 2006, grown and developed four ensembles for children from Year 3 right through to Year 11 in high school. These ensembles take part in the annual program of music skills development, residency camps and performances:

- Moorambilla Regional Boys Choir
- Moorambilla Regional Girls Choir
- the Moorambilla Regional Youth Ensemble MAXed OUT Company

The opportunities are unique and life changing for children from regional and remote communities in western NSW.

We aim to:

- develop a child's singing and musical potential
- provide challenging musical learning opportunities
- create equitable opportunity for gifted children from regional and remote NSW to participate in high level choral music making with leading professional musicians, composers and ensembles.
- create an inclusive regional children's choir of excellence who can perform and represent their region locally and nationally
- create an artistic vehicle for regional and remote cultural and artistic expression amongst participants.
- raise awareness in the region and beyond of choirs as an artistic medium, and in doing so create new performance opportunities and new audiences.
- promote choral music in remote and regional communities of NSW to encourage community participation across all age and social groups.
- perform choral music written for our choirs that directly reflects the life experiences of the choristers, the landscape, indigenous legends and languages of the region.
- work with leading and emerging Australian composers in residency and by commissioning.

TCS LIBRARY NEWS

TCS is currently in the process of implementing a new library system.

School Work Experience

Preschool - Year 6 | Year 7 - Year 12 | Bookings & Contact | Project In situ | Work Experience | Meet a Keeper Dubbo | Dubbo Zoomobile

Taronga Western Plains Zoo's Work Experience program is for school students interested in pursuing a career in the zoo industry. The program is voluntary, unpaid and for school students in years 10, 11 and 12. The Work Experience student will spend time on various divisions within Taronga Western Plains Zoo.

One successful applicant per school will be assigned for one week's duration (Monday to Friday), excluding school and public holidays. Students and careers advisers are required to read the Work Experience Information document.

Students with special needs

Taronga Western Plains Zoo accepts students with special needs, as long as any necessary support is available and students are suitable for particular Zoo work areas.

Application Process

Applications for 2016 work experience are now open and can be made by completing the attached application form. Please ensure that you read the attached Information Package document before completing the application form. Once completed, please post your original application to Education Centre, Taronga Western Plains Zoo, PO Box 831, Dubbo, NSW 2830. Electronic applications will not be accepted.

Please include a brief resume outlining any employment experience you may have and/or animal knowledge with your application form.

Applications close Friday 11 December 2015.

Parents/Students

Your school will need to approve the work experience placement so please direct all of your communication to the school careers adviser. Please do not contact the zoo directly.

FAMILY HISTORY AND YARN UP

Trangie Local Aboriginal Land Council

48 Dandaloo St, Trangie

Friday 9th Oct 2015 to
Sunday 11th Oct 2015
10am to 4pm

Would you like to learn more about your family ?

The Trangie Local Aboriginal Land council will be hosting a 3 day yarn up where you will be able to discover your family history, see photos and information that you may never have seen before, take a printout of your family history home with you and add to the data held on file.

Rebecca Shepherd from the Calara Family History group of Condobolin has over many years collected a lot of information about families that have originated from Dandaloo and along the Bogan and Lauchlan rivers.

WHAT TO BRING :

Family History/photos and

Any other information to build on the data base .

A light lunch will be provided .

RSVP's are required so we can organize for the relative family history documents to be brought to Trangie and for catering purposes.

Contact Terrie or Kerrie @ the Trangie LALC Office

Tell Them From Me: Partners in Learning survey

You're invited to participate in the *Tell Them From Me (TTFM)* Partners in Learning survey designed for parents and carers. This survey complements the TTFM student and teacher surveys, which focus on student engagement, wellbeing and effective teaching practices. All Department of Education schools have the opportunity to participate if they choose.

Why should I participate?

Parents and carers are an important and valued part of the school community. Schools can use survey feedback to make practical improvements and inform school planning.

What does it involve?

This online survey takes about 15 minutes to complete. It is anonymous and voluntary.

If you have more than one child at this school, and feel that your children's experiences differ, you can complete the survey more than once.

How can I participate?

You can access the survey in your own time, between 17 August and 16 October 2015. Follow the link below on your computer or tablet:

tellthemfromme.com login username: parent17636 password: Tran3254

There will be a computer available at the school for your use.

More information on the Partners in Learning survey can be found on the NSW Department of Education's TTFM website: <http://surveys.cese.nsw.gov.au/>
