FROM THE PRINCIPAL

Heading towards Christmas – and WHAT A YEAR!!

2015 – A Fantastic Year

The 2015 school year is drawing rapidly to a close and we can look back and be amazed at what we have achieved!

The student numbers continue to climb steadily, bringing the opportunity for a wider choice in friendship groups, increased funding, increased staffing and a broader range of subjects offered.

Our academic results trend upwards, with Year 3 NAPLAN achievements applauded in the local press for outstanding achievement. This result is a direct result of our commitment to Early Intervention. Our excellent **Early Bird** program, followed by our wonderful Kinder/Year One and Year Two program provides a solid foundation for success. Our Infants team, Jess Druce and Jo-Ann Ellis, are outstanding and they are supported by our Instructional Leader Mrs Kim Macardle to ensure quality delivery and regular data analysis to measure progress.

Our Kindergarten class always starts with confidence and enthusiasm. No first day nerves for us!! The 2016 Kindy class is going to be lovely – but then, they are all lovely to us!

Corrective Reading is delivering excellent results in providing support for those who need help with developing reading skills and Mrs Tanya McMaster has had a great deal of success in lifting performance with this program. The effectiveness of the program has been reflected in outstanding growth in the NAPLAN tests and goes some way to explain our success across ALL our students.

Earlier in the year saw our secondary cattle team head off to the **Royal Easter Show** and other local events. Miss Dorman is to be congratulated for her own commitment and also her ability to generate the enthusiasm and willingness to do the hard yards in a group of young adolescents! They even get up early and practise before school!

This week we sent nine students, both boys and girls, to the **Schools Spectacular** in Sydney. Again, this success has only been gained because of the passion and devotion of the teachers. Miss Skinner and Mrs Seymour have given untold hours for the benefit of the students and the students always repay us over and over again with the way they represent us in the community. We are very proud of all of them. Don't forget to catch the show.

Finally

My door is and always has been open – whether you are happy, sad or mad. I need to know if we are not doing something right but I also need to know that you trust our motives and our intentions. Everything we do, every single day is for YOUR children. If we can do it better, tell us.

All the best

Anne Holden

Staff Smile of the Week (Week 7)

Goes to Cheryl Rowley for being supportive and a great sounding board. Thankyou!

Secondary Student Smile (Week 8)

James Churchward was our smile student of the week and will receive a dining experience with Mr Jones.

Wellbeing comes from strong and positive relationships!
It is what we do so well!

Head Teachers' Report

Farm Safety Day

Last Thursday the 19th of November, four students from our school had the opportunity to attend a Farm Safety Day at Trangie Agricultural Research Station. The day included educational workshops on:

- Sheep yards and woolshed,
- Tractor and implements,
- Cattle yard and livestock behaviour,
- Quad bike safety on the farm.

Our students thoroughly enjoyed the hands-on experiences that happened on the day. They were also briefed by representatives of Tocal College and each student was given a hat and an information package on various courses supplied at the college. Elders sponsored the day with lunch, drinks, ice blocks and a cap all supplied free of charge. We would like to thank Glen Walker and the team at TARC for hosting such a fantastic day.

4T's Gala Day

Last week Trangie Central School secondary students competed in the final 4T's competition for 2015, at Trundle Central School. The two sports that students competed in were basketball and t-ball. The junior team came out on top against all participating schools in basketball, displaying excellent skill and teamwork. The senior team played extremely well in t-ball, with some students hitting home runs. Thank you to Mr Sarswat for assisting on the day and Trundle Central School for hosting the event.

Petch Tippapart - PDHPE Teacher

Learning Logs

Learning Logs are still being completed in classes across the secondary. Students record and reflect learning on the learning that occurs in the classroom. Here are some examples from Year 8 students:

English

Record: In English today we finished off our essay planning sheet then started the 5 paragraph essay draft in our books.

Reflect: Essays are probably the hardest thing I've ever done!

History

Record: In History today we wrote down some notes about Dreamtime stories, then watched a video of the Rainbow Serpent. We then started drawing our own rainbow serpent.

Reflect: I found the story of the Rainbow Serpent quite interesting because of the way things were formed eg. mountains.

Have a great weekend – only 33 days til Christmas!

Access Camp 2016 for Year 11 and 12 Students

Next year, your child will attend a school camp at Lake Burrendong Sport and Recreation Centre organised through **Western Access Program** from **Wednesday 24/2/2016** until **Friday 26/2/2016**. Permission notes/Medical Consent forms have been handed out to students.

These notes and Medical Consent forms need to be back ASAP please!

The cost of the excursion is **\$80.00** which includes camp costs and transportation. **This has been heavily subsidised through the Western Access Program.**

The information that Sport and Recreation needs about your child includes:

- medical conditions
- food related allergies
- special diets
- medication
- emergency contact details.

Feel free to visit the Western Access Program website for more information about the program, policies and procedures.

online on Jump-In in December.

Assistant Principals' Report

iKi Fit – Safe Respectful Learners

Principle Focus

This week our focus is No Play, No Play! This iKi principle means that we play by the rules or we don't play at all and there might be consequences. No Play, No Play is a **safety** rule because if we follow the rules it keeps everyone safe and no one gets hurt. It is also a rule that means we show **respect**. Respect other people and their games and include everyone. No Play, No play is also about being a **learner**. When we join in and follow the rules we learn from each other. Students have been earning Smiles this week for showing how they can be **safe respectful learners** by cooperating and showing respect in all areas of our school.

2016 Leaders

Year 5 students from this year who would like to nominate to be a leader in 2016 will have the opportunity to present their speeches next Friday, 4th December. The speeches will be presented to the primary assembly starting at 9.00am. Parents and Carers are welcome to attend to listen to the speeches. Our successful candidates will be announced on Presentation day at the end of the year. Good luck to everyone – we have an amazing group of students to choose from.

School Swimming Scheme

The School Swimming and Water Safety Program is a learn to swim program that develops water confidence and provides students with basic skills in water safety and survival. The Program provides opportunities for students in Years 2 to 6 to attend daily lessons of 45 minutes over 9 consecutive days. Our school swimming scheme starts from Monday next week and runs until Thursday 10th December. Your child will have received an information note about this if they are involved. Please ensure notes are returned by the end of this week to ensure they can participate. Each

day they will need to bring their swimmers and towel. They will leave at 11.30am and return for lunch at 1.15pm.

Year 6 Farewell

Year 6 students have been working hard on their invitations and parents and families should receive their invite sometime this week. Please note that there is a limit to the guest list - only 3 guests per Year 6 student. We are limited to a maximum of 90 guests in the restaurant area. This year, when you purchase your ticket from the TCS Office, you will be given a ticket for your meal to be used on the night. We ask if any Year 6 parents could volunteer their time to help set up on the night from 3.00pm-5.00pm, please contact Alissa on 6888 7578.

Below are a few details:

Interest Groups

Every Wednesday afternoon the Primary students have Interest Groups. This term our students were able to choose from Water Polo, Sport Dance, IKI Fit, Cement Painting, Cartoon Drawing, Lego, Wood Burning, Cooking and Creative Arts. Our groups give students the opportunity to choose an activity that is of particular interest to them, a chance to work with students from other classes and a range of ways of engaging with curriculum. It is always so great to see the way in which our older students guide and work alongside their younger peers. What great role models we have at Trangie Central School!

"I like building lego cars and boats." **Kaidyn**

"I like playing lego because it's fun and active and you get to build and it's creative." **Rachyl-Jo**

"We decided as a group which pictures to paint." **Cheyenne, Ularha & Carmen**

"The best part of cement painting is seeing the younger children being creative." **Annalee**

"I picked a picture of a wolf because they are wild and free and I've always wanted to be free." **Ellie**

"Dance sport is fun. We learnt basketball dancing." **Jock**

"We practice every week and add on to the dance. It's lots of fun." **Braiden & Bailey** STAY TUNED – we may get to see the dance group perform for us.

"My favourite part is drawing mandalas." **Coby**

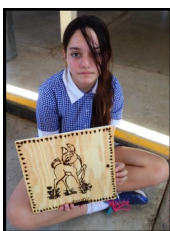

"Part of iKi is self-defence and I like teaching it to the younger kids." **Brock**

2016 Digital Photography Course

Trangie Central School is offering an evening course in Digital Imaging and Photography in 2016.

- ❖ The course outline is based on the requirements of the HSC Content Endorsed Course *Photography, Video and Digital Imaging*. Health and Safety issues are also included in the course.

Where: Trangie Central School Room 1. We will also organise some 'field trips' around Trangie while daylight saving allows to practise techniques and compare results with other members of the class.

When: Tuesday evenings from 6.00pm - 8.00pm

Cost: \$25.00 for the year to cover paper and printing. Costs of any additional, non-essential materials will be the students' responsibility.

Equipment needed: A digital camera would be an advantage, but the school has several which can be borrowed for class activities.

More information: Call the school on 6888 7578 OR Email bevan.tatnell@yahoo.com

Continuing students from 2015 should contact the school office as soon as possible to register their intention to enrol for 2016.

Sport and Recreation's Swim and Survive lessons

Australian summers usually involve plenty of fun in and around the water, but no parent should forget how important it is to make sure children stay safe.

Sport and Recreation's Swim and Survive classes for preschoolers and school-aged children help youngsters learn important ways to be safe and enjoy our pools, rivers, beaches and lakes.

The intensive nine-day programs provide wonderful results, and are great fun as well. Plus, family discounts make our program affordable for all the children in the family.

Sport and Recreation runs Swim and Survive classes in pools throughout regional NSW.

Our instructors are nationally qualified and screened for their suitability to work with children.

Prices for nine lessons are \$69 for school-aged children and \$49 for preschoolers (prices exclude pool entry fee).
