Teach your children well

FROM THE PRINCIPAL

Hi everyone. A new term and busy already! I hope that everyone had a restful holiday. I know that Darwin seemed a very pleasant place to be when I read about the snow while we were away spending time with our daughter.

A Quality Public Education

When I hear on the news that improved academic results are not to be had by paying for an exorbitant private education I thought I might have written to someone, whoever this learned person is. I would have told them that they did not have to do an expensive research project to find this out, they could just have asked ME and I would have told them free of charge.

As a passionate advocate for Public Education I have always known that teachers are teachers, wherever you are. My own three children would be excellent examples of students who have succeeded after attending Coleambally Central School and Kandos High School. The buildings in private schools may be prettier and the uniform more expensive but there the difference ends. Of course, schools vary but I have our own school in my mind as I write. The factors that make an enormous difference are the ones that parents bring. The students who do well are the ones whose parents make sure they are at school every day and who work with and are supportive of the school.

We love our school and we are an integral part of the community. Our students are accepting of all comers regardless of academic ability and economic or ethnic background. In order not to lose it you need to use it.

Merit Selection

The merit selection process for filling our Head Teacher Secondary Studies and Assistant Principal positions has finally been completed. I would like to extend my sincere thanks to those people who were willing to give up their time to support our school in this vital role by being on the interview panels. We were very pleased with the quality of the applications and think that this is a reflection of the reputation that our school is developing for providing a quality teaching and learning environment.

I would like to congratulate Mr Edward Wright on the success of his application for the Head Teacher Secondary Studies. We feel very lucky to have a person with such a depth of curriculum knowledge and administrative skill appointed permanently to our staff. In a school with a young and energetic staff like ours his knowledge and experience will be invaluable.

For the Assistant Principal position we are very pleased to welcome Ms Jo-Anne Ellis to our staff. Ms Ellis brings with her considerable experience leading Literacy and Numeracy in schools and also in educating future teachers in University. Ms Ellis is not a stranger to our school and we welcome her as a permanent addition to our staff.

I would like to thank Ms Miller for stepping in at such short notice to relieve in the AP position as well as continuing her excellent classroom practice at the same time.

Moorambilla Success

We are so excited to be told that SEVEN of our students have been accepted into the Moorambilla Program. One of our Primary girls will be going to Canberra and the other 6 to a concert in Dubbo. We live and breathe music, dance, debating and art at TCS and each year our success grows. Our students' continuing exposure to music is one reason why we are gaining such success in this highly competitive program. Thanks to Ms Murtagh for applying and transporting!

Finally

My door is and always has been open – whether you are happy, sad or mad. I need to know if we are not doing something right but I also need to know that you trust our motives and our intentions. Everything we do, every single day is for YOUR children. If we can do it better, tell us.

All the best

Anne Holden

Head Teachers' Report

Staff Development Day at Trangie Central School

As part of our Staff Development, it was decided that a team building activity would be worthwhile. Our secondary teachers and some administration staff took part in a My Kitchen Rules cook off competition. We called it **Our Dishes Rule** and four teams of four competed by creating a main and dessert dish to be served for our lunch. Each team was given two ingredients that they had to use, were required to shop locally with a \$50 budget and had two hours to produce the two dishes. The meals produced were amazingly tasty and a lot of fun was had by all involved. This team building activity really boosted morale, lifted the spirits and reenergised all for the busy term ahead, which was the objective. The Queens team took out the winner of the main meal, the Jacks were victorious with their dessert and the Aces took out overall winners for fun and teamwork.

Aces – beef/apples. They served a Beef Stroganoff and an Apple Crumble.

Kings – pork/strawberries. They created a Pork Thai Salad and a Strawberry Etames.

Queens – lamb/oranges. They presented Moroccan Lamb with mint sauce and Oranges with Melted Chocolate.

Jacks – chicken/lemons. They produced Chicken Carbonara Fettucine and a Lemon Cheesecake Slice.

Everyone was in a food coma after the event due to the food consumed. The consensus at the end of the activity was that it was very successful and they are looking forward to the next one!

Reminders:

- Anzac Day March – Saturday 25th April. Any secondary student wishing to march needs to be in full school winter uniform and meet outside IGA before 10am.
- Cross Country – Friday 24th April at Trangie Golf Club 12.30pm
- Athletics Carnival – Friday 1st May at Burns Oval 9am.
- NAPLAN Tests – Tuesday 12th, Wednesday 13th, Thursday 14th May.

Have a great weekend.

2015 Sydney Royal Easter Show

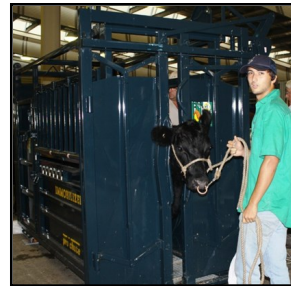

Thirteen students from our school's Cattle Team attended the 2015 Sydney Royal Easter Show representing TCS with 7 steers. We left for Olympic Park on Sunday the 22nd of March accompanied by teachers Mr Troy Jones, Mr Peter Minney and Miss Ali Dorman and parent Mrs Di Hilder. Mrs Kate Barclay joined us later in the week.

Students spent the week preparing the cattle; washing, blowing and clipping, leading up to the main competition day on Saturday the 28th. This included early morning starts as well as camping at the show ground.

Weigh-in occurred on Tuesday where the steers were weighed, scanned and vet checked. Throughout the week students were also allocated specific jobs which had to be monitored during the day.

On Wednesday the TAFE NSW Western Sydney Institute, in conjunction with the Royal Agricultural Society of NSW, offered five Career Readiness Taster workshops which our students participated in. These workshops provided students with an introductory understanding of a number of aspects of working in agricultural production.

2015 Sydney Royal Easter Show

The students had time to explore the show on Thursday and Saturday after completion of the judging and competition.

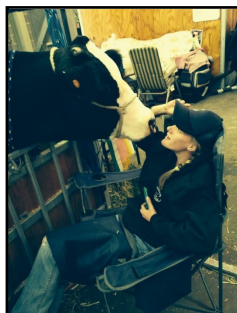

On Saturday we had to have all 7 steers ready to show by 8am, which meant an early 4am start. We are very proud of our students; Tom Carter, John Apap, Taylah Brown, Morgan Gale, Hamish Corcoran, Meegan Seymour, Morgan Adams, Alex Barclay, Demi Dunn, Olivia Hilder, Jacana Powell, Luwana Tumai-Lynch and Ben Skinner.

On Sunday morning we loaded the steers on a truck at 5:45am and packed up for the journey home. The students had a wonderful experience and look forward to putting their developed skills into practice at various local shows coming up.

We would like to thank our supporters Trangie Livestock & Property, Neville Owen Petroleum, Phyllis Carthy, Ken & Di Hilder, Elders, Apap family, Jan Hilder and Jaye Milgate for the contribution they have made to support our participation in The 2015 Sydney Royal Easter Show.

Year 5/6

Last term, 5/6 students were excited to attend the Life Education van and to meet with Healthy Harold. We were delighted with how cheeky Harold was and found it a powerful way to demonstrate positive messages about health.

The unique program motivates, encourages and empowers students to make informed healthy lifestyle choices by challenging their values and attitudes, expanding their knowledge and developing skills.

During the visit, students were able to participate in interactive challenges as well as identifying people and products that advise, educate and inform the community about medicines. Even though this visit occurred in Term 1, students from 5/6 recalled the following:

"Don't take medicines that are out of date." **Shania**

"Don't mess around with Epi Pens." **Nikeata**

"Smoking kills." **Tori**

"Don't use medicines that have no label." **Reuben**

"Throw out old medicines if they are out of date." **Luke**

"There are different asthma medications to treat different people." **Kai**

"Healthy Harold is rude.....he threw undies on to Kai's head!" **Brock**
