Teach your children well

FROM THE PRINCIPAL

Hi everyone – Enrol in TCS- inclusive, quality Public Education at its finest!

A Wellbeing Focus and Strong Community Participation

At TCS one of our three strategic directions is 'Excellence in Learning' whose purpose is to develop a culture of active learning and community engagement. We have put staff and student Wellbeing at the heart of everything we do and the success of this approach is clearly evident. We were featured in the Innovative Schools edition of the 'Educator' magazine in 2016 as one of the top 40 innovative schools in all of Australia and within this 40 were further listed in the top 12 schools to have a special feature. This magazine is in our foyer for anyone who is interested. This term we have been named as one of the top 5 schools in NSW for excellence in student wellbeing, and a report on our school's approach to student wellbeing has been circulated to Government schools as a case study. Also this term our school was named for 'Excellence in Indigenous Education' at the prestigious Wudhagaragarra Awards in Dubbo.

We have always believed that if students are given as many different opportunities as possible to succeed, then this success will create a self-belief that will translate into everything else that they do. We can see clearly that success in dancing, singing, painting, playing music, debating, public speaking etc is definitely permeating in to the academic subjects and is creating a positive and harmonious whole school culture.

We also believe that community participation is one of the cornerstones of wellbeing. It is vital for the wellbeing of Trangie that it has a strong school that participates actively in community events. We are committed to this with our newsletter and the not-for-profit advertising, by making our skills and resources available whenever required, be it setting up the sound system, printing off flyers, designing posters, working on local committees, providing chairs and the list goes on. If we have it, then the community can share it.

We give a strong message to our students of the importance of volunteering in and contributing to their community and we do this through the Seniors Olympics, Meals on Wheels, visits to Kurrajong Court, Random Acts of Kindness, refereeing sport, dancing at community events etc. Giving to others makes people feel good. It gives students a feeling of self-worth and reduces the incidence of depression.

Our school employs over fifty people and makes a massive injection of funds, energy and expertise into the Trangie community. If there are no students there are no jobs, so a huge thank you for your support.

TAG/USMC Christmas Party

What a great night! Congratulations to all the organisers and workers who made it such a success. I would also like to thank the bar staff on the night for their patience as we got under their feet with meat in their cool room and to Ian who cleaned the BBQ for us. Thanks to Geoff Terry, Margaret Wood, Scott McDonald, Jacky Murtagh and Jessie Quigley for helping cope with a busy night on the BBQ and to Jessie whose new house will smell of onions and coleslaw for a very long time to come! Thanks to Brandon and Ben who ran the footy throwing and Kiah, Kira-Lyn, Jae-Lee and Karly who painted faces. We are never short of volunteers when we need them. Everybody stepped up in true Trangie style to work together and make it such an excellent event.

Massive congratulations to Miss Skinner and her dancers and Miss Murtagh and her singers. Both performances were of outstanding quality that demonstrated to everyone the excellence of our school, our staff and our students. We punch WAY above our weight!

Have a great Christmas. Stay safe and we will see you all back at TCS next year!

Excellent News for 2019

We are very pleased to announce that Miss Mary Bailey will be teaching Year 6 in 2019. We are very fortunate to be having a small, straight Year 6 class of less than 20 students which will be wonderful.

Science and Technology at TCS

In 2019 we continue our focus on Science and Technology with our STEM program going in to its second year. Next year we have Mr Hansen, Ms Ebsworth, Miss Murtagh, Miss Bailey and also Miss Wall, our new secondary Mathematics teacher. We will continue with Year 5-8 and the extra teacher will bring mathematics expertise into the program. This year has been a very steep learning curve but when I see the teamwork and coordination that has developed I am very impressed with how successful the program has been so far. I look forward to 2019 and still more exciting projects.

Great Honour

Everyone was very proud at TCS this week to be given the great honour of being invited to dance at the Three Rivers Local Decision-Making Accord Signing. Our dancers performed for a very stellar audience and had a photo and a chat with the Minister for Aboriginal Affairs. Karly explained who and what we are beautifully and eloquently; a fine example of how a school captain conducts herself. Ms Mitchell, the Minister assures us she will come and visit Trangie, and we can show her what a wonderful school we have.

Teach your children well

FROM THE PRINCIPAL

Learner Driver Program

Thanks to our previous Community Liaison officer we have been successful in our application for a grant to provide driving lessons for those of our students who are eligible. You simply have to apply to our office and your child will be given a voucher for a 90 minute lesson. Once that voucher has been used you may apply for a second. This is a fantastic opportunity to have your child receive quality driver education for no charge, so don't miss the opportunity.

Trangie Lions Club Swimming Vouchers

Huge thanks must go to the Lions wider community for their very generous support of our club and our town with a donation of \$5000 to alleviate the financial stress caused by the drought and the economic downturn caused by this. Our club decided to use this money to ensure that families could all utilise the pool in the hot summer months without cost. Please apply from your child's school and return the forms by the end of Friday. We may accept forms after Friday, but passes will only be available after this date if not taken up by the due date.

2018

2018 has been another wonderful year of excellence and achievement in so many areas; whole school, teams and individual. Our school continues to grow in stature and in the eye of the local and wider community. Our name is known across the state for quality, caring and aspirational education. We have our feet set in strong values and our heads in the sky and as each year gets better and better and each year we exceed the expectations of the year before, the sky really IS the limit. Who knows where we will end up next year! Can't wait to see!

Finally

My door is and always has been open – whether you are happy, sad or mad. I need to know if we are not doing something right but I also need to know that you trust our motives and our intentions. Everything we do, every single day is for YOUR children. If we can do it better, tell us. Facebook is for cowards – so please tell us to our face!

All the best,
Anne Holden

Head Teachers' Report

It is hard to believe that we are coming to our final week of the school year. There has been a lot on this week, with Presentation Day and Middle School STEM "Country Table market" to name a few events.

As we plan towards next year, I would just like to remind parents about the Department of Education requirements regarding leather upper shoes in practical subject areas. It is important for WH&S compliance that students have a pair of leather shoes ready for day one next year. Please factor this in when making a decision of which shoes to purchase for the new school year.

Also, a reminder that the swimming carnival is being held on the Friday of the first week.

And finally I would like to thank all those who have supported the school over 2018 and wish everyone a safe and enjoyable holiday period.

Aboriginal Dancers Shine AGAIN!

On Monday 10th December, the Aboriginal Dance group travelled to Dubbo to perform at the Three Rivers Local Decision-Making Accord Signing. The Accord was signed at a ceremony by Rodney Towney (Chair of the Three Rivers Regional Assembly) on behalf of the Three Rivers Regional Assembly and the Hon. Sarah Mitchell MLC (Minister for Aboriginal Affairs) on behalf of the NSW Government.

This event provided attendees with the opportunity to reflect on the negotiation process, celebrate the commitments negotiated and will mark the commencement of the agreement. There were approximately 80 to 100 attendees including; TRRA delegates, including our very own Auntie Di Smith and Didee Herbert, community members and senior representatives from NSW Government agencies including Aboriginal Affairs.

This has been a highlight for our dance group who were extremely proud to be there to witness the start of this. Also being present to watch Uncle Ralph Naden perform a sacred dance that we are most likely never to see performed again.

We would like to thank Ms Stoneman for driving the bus and Meegan Seymour who also helped our dancers. Lastly, congratulations to the dancers on their amazing work ethic and school representation. Our culture is alive and strong and will continue to stay that way with young Aboriginal leaders such as these.

Examples of Acceptable Footwear for Science, Agriculture & Food/Wood/Metal Technology

Correct Shoes

These shoes are correct as they meet Workplace Health and Safety requirements, as well as uniform requirements. They are leather or equivalent impervious material, fully enclosed and are predominantly black. The set of black Volleys in these pictures have impervious uppers, making them acceptable.

Incorrect/Unacceptable Shoes

These shoes are not acceptable as they do not meet the Workplace Health and Safety requirements of being leather or equivalent material. The slipper style canvas shoes in the first picture are popular, but unacceptable against all school requirements. You may notice that the last set of shoes are black Volleys, however they have a soft canvas upper which makes them unsafe for our practical subjects.

If you have any questions about acceptable footwear, please contact the school.

Assistant Principals' Report

Staffing

We are very sad to announce the departure of two very special teachers who have been working at our school. Firstly, we say farewell to Miss Karla Parsonage who is taking up a position at Narramine High School. Karla has worked tirelessly with our students and we have seen great outcomes from the children she has taught. Karla also took on the enormous role of coordinating Gobondery/NARRAF sporting events for our school. She is a dynamic, vibrant, funny lady and the children and staff will really miss her.

Also we say farewell and Good Luck to Miss Paige LeBrocque who began with us a few years ago as an SLSO while she was studying for her teaching degree. Paige finished her degree just in time to take on a fourth term block of work in the 3/4 class while Mrs Sippel was on maternity leave. Paige has accepted a position at Orana Public School and will take a Year 3 class next year.

Our classes for next year are established and we have a great mix of experienced and younger teachers. We are very pleased to welcome Miss Mary Bailey to our staff.

RAMS Reward Day

Invitations have been sent home to students who have demonstrated our core values this term of being 'Safe, Respectful, Learners'. Students in Years K–2 will be going to watch 'The Grinch' at the movies. Upper Primary students will be going to the Dubbo pool, playing on the water slides and swimming. It promises to be a rewarding day!

If your child did not receive an invitation this term, it may be useful to have a serious talk with him/her about the behaviour you're expecting from them when they come to school. We have high expectations at TCS, reflective of what our school community wants and poor behaviour is not tolerated.

OUR RULES

Always do your best.

Use kind words.

SRC Leaders Christmas Celebrations

Last week our Secondary SRC leaders ran a Primary Disco for all children K-6. It was so much fun. Many students bought dress ups to school for the event and everyone got involved with dancing, games and the many fun activities that the SRC had organised. It was really lovely to see the leadership skills that have been developed in our Secondary students and also, as always, to watch how the children all co-operated with each other and looked after each other.

Prizes for the best dressed were awarded to Mia Gleeson, Ulahra Baxter, Aston Gordon and Khalia Solomon. Charlie Kerr proved how extremely flexible he was by winning the Limbo challenge!
