## P & C Meeting

**Wednesday**  
**31st October 2018**  
**3.15pm**  
Secondary Staff Room

## BECAUSE OF HER, WE CAN!

Come celebrate  
**NAIDOC WEEK at**  
**TRANGIE CENTRAL**  
**SCHOOL**  
Monday 17th - Wednesday 19th  
September, 2018

**Monday 17th: NAIDOC Assembly in TCS MPSC 12.30pm-1.30pm**

Light lunch provided for guests. Everyone welcome!

**Wednesday 19th: NAIDOC Community Day at TCS 9.00am-3.00pm**

Community and family members welcome!

**1.00pm-1.30pm** Elder's lunch in the TCS Library

**1.30pm-3.00pm** Interagency stalls, free lunch & concert featuring

Tyson Jay for students and families - Secondary grounds

**Wear red, black or yellow!**

## What's On

Wk 8	14/9	PSSA Athletics at Barden Park, Dubbo - Good luck Jock, Montanna, Audrey, Remy, Ella, Ryan, Ruby, Archer, Phoenix, Tawhiao & Piper
	14/9	Yr 11 Visual Art HSC Artwork Visit to Orange - Depart Dundas Park at 8.00am
	14/9	Yr 11 Biology Assessment Day at Goan Waterhole 9.00am-11.30am
Wk 9	17/9	Yr 11 Primary Industries Assessment Day at Tottenham - Depart TCS at 8.00am
	17/9	NAIDOC Assembly in MPSC 12.30pm-1.30pm - Everyone Welcome!
	19/9	NAIDOC Activity Day at TCS 9.00am-1.30pm - Everyone Welcome!
	20/9	Yrs 9-11 CareerGate Apprenticeship Presentation at TCS 12.30pm
	20/9	HSC Information Night 5.30pm-6.30pm - Parents & guardians welcome!
	21/9	Primary Assembly in 1/2 class room 2.00pm - Everyone Welcome!

**Teach your children well**

# TRANGIE CENTRAL SCHOOL MADD NIGHT

Teach your children well

# FROM THE PRINCIPAL

*Hi everyone – TCS is a Class Act!*

## MADD Night

What a night!! I had such a good time and it was a real pleasure to see the children's faces as they performed. It was really obvious that they were loving it. They loved the costumes, the music and the dancing with some real dramatic skills in evidence too. You can't go wrong with the Early Birds and the Kindergarten, but it was wonderful to see our seniors getting involved with singing and with a hilarious dance. I told Year 11 that they could never compete with the talented dramatic effort of the staff, but unfortunately the Facebook views tell another story with Year 11 on 1000 views and the staff on only 284. I just don't think people recognise true talent when they see it!

Ms Jacky Murtagh did a great job of setting up the hall and directing the whole performance and the light and sound boys, under the expert guidance of Mr Holden did a superb job. Thanks also to Mrs Sharyn Brown for videoing the different acts so that everyone can view on Facebook. I know that distant relatives have taken pleasure in being able to be a small part of it.

 On Friday morning the students in secondary really showed their true colours. We had left the hall on Thursday night after a very big day and we faced up to the big clean-up on Friday morning. Several secondary classes and their teachers turned up to put chairs away, dismantle the lights, sound and stage and clean up what seemed like a mountain of popcorn. Fortunately we were joined by two local escapee dogs who did an expert job at popcorn hoovering. I have never been as impressed by our students as I was that morning. Every single person, student or teacher just found a job and got on with it. No-one needed to be instructed what to do, they just did it. We cleaned the whole lot up in less than an hour as a true team. A very big THUMBS UP to everyone, with my class not complaining once about missing maths – remarkable.

## Combined Schools' Sports Day

Last Friday several teachers and support staff took a team of primary students to a Combined Schools Sports day in Warren. It was lovely to receive a message from a grandmother of one of our students after that day complimenting the students on their behaviour. We are always very proud of how our students conduct themselves when on any kind of excursion, where they demonstrate fair play and team spirit and it will give me great pleasure to tell our students that their beautiful behaviour has been recognised and applauded. Thank you so much to the thoughtful person who took the time to write such a nice message.

## 2019 Enrolments

Early Action for Success is a highly effective early intervention program for infants and has had outstanding success with our current and previous Kindergarten students. In 2019 we will offer a straight Kindergarten class with individualised instruction, led by our instructional leader and our experienced Infants team. Such an opportunity cannot be beaten.

Reminder please that if you intend to enroll your child in our school next year. Enrolments for Year 7 and Kindergarten are looking strong so please let us know as soon as possible as we are developing a class structure, and knowledge of numbers is crucial.

## Why let a good story get in the way of the truth

It is always a mystery where stories start, but start they do. I would like to thank those kind people who would have me take it easy next year and retire, but unless you can offer me an all-expenses-paid trip to the Bahamas, I fully expect that my preferred alternative for 2019 will be Trangie Central School. Thumbs up to the person who came out and asked me, instead of passing on the Chinese whispers. For good or for bad, you are stuck with me.

## Finally .....

My door is and always has been open – whether you are happy, sad or mad. I need to know if we are not doing something right but I also need to know that you trust our motives and our intentions. Everything we do, every single day is for YOUR children. If we can do it better, tell us. Facebook is for cowards – so please tell us to our face!

All the best,  
*Anne Holden*

## ENROL IN TCS! Be a member of a true team!

## Deputy Principals Report

### Because of Her, We Can!

#### Dimiti Trudgett

Dimiti comes from the Wailwan and Gamilaraay tribes and originates from Warren. She is an only child but grew up with a big extended family. Miss Trudgett is very family orientated and a proud mother of her 10 year old daughter Lily.

As a child Miss Trudgett grew up playing many sports, with her favourite being basketball. This moulded what she was to do later as a career. After school Miss Trudgett moved to Bathurst to complete her PDHPE teacher training at Charles Sturt University. She has been teaching this for 14 years.

Miss Trudgett is passionate about Aboriginal Education and has been involved in this on a local, regional and state level. As Deputy Principal her responsibilities include overseeing the wellbeing, curriculum and discipline of students. Miss Trudgett is in her third happy year at Trangie Central School, where she loves teaching. 'Because of her we can' is very relevant as she has been lucky to have many inspirational women in her life including her Mum, Nan and Aunties!

*Written by Jae-Lee Edwards & Tayla Piper*

#### Aunty Ruth Carney

Aunty Ruth is a very proud Wiradjuri woman who commits a lot of her time to the community. Her mother and father have been her inspiration as to who and what she is today.

Aunty Ruth is the first Aboriginal Shire Councillor in Narromine, which has given her a lot of insight into why we need to look after our shire. She feels we need to look, care and help where we can to make life better for all our family and friends. Aunty Ruth is involved in meetings for both schools and the health council. She also runs the local historical and meeting museum in Narromine – which is open 3 days a week and on other days by appointments.

Aunty Ruth would like to thank the wonderful ladies Joy Gillespie and Sally Olsen who support her 100%. And last but not least she acknowledges her dependable husband Dick Carney who is always there to pick her up and keep her going.

### **Rugby League Wrap Up**

Term Two and Three have proved to be very busy with Rugby League. Our Under 14 and 13 boys have travelled to Bourke for Ronnie Gibbs, Coonabarabran for the Small Schools Knockout finals and to Dubbo for the CHS State finals. They have trained to improve their skills and confidence in the sport, sacrificing their lunch times, afternoons and Interest Group sessions. The majority of our players do not play tackle at the weekend and are still learning the techniques of contact. However, WOW, what a run they've had! The boys are to be commended on their efforts and commitment to the team and school. Players'-player of the campaign was selected by the boys themselves, seeing Kai Greenwood receiving this accolade. Kai was also the team's captain and played a vital role in motivating his players on and off the field. Coaches' choice were Brock Kilgour and Sebastian Galea. Brock's defensive ability saved many tries over the three days and he runs the ball with so much power that it opens the field up. Sebastian was a late addition to the team, but secured his position as hooker where he was a reliable player that shows confidence in reading the game. Although the school season is over for the boys, there is no doubt that they are looking forward to 2019. Lastly, we would like to thank Mark Haines and Troy Jones who also assisted with the running of the team.

**Jessica Skinner**

THE DUKE OF  
EDINBURGH'S AWARD

## WARRUMBUNGLES Excursion

Six students from Years 9, 10 and 11 visited the Warrumbungles National Park last week to be involved in a Duke of Edinburgh hike with students from Binnaway and Dunedoo Central Schools. After an early start on Monday morning, we spent the day getting to know the other students through team building activities, setting up tents and then working in small teams for orienteering. The orienteering was quite challenging as it was all in very heavy bushland and no established pathways. There were times I was a little concerned with losing some students! However, all kids came out the other end after using topographic maps, compasses and bearings to find their way.

After a long day and a very early night, we woke up to the tranquil sounds of the bush to face our big hike. We made our way to the Grand High Tops walk, which sits approximately 1000m above sea level! The walk was about 12km but with rocky slopes at some parts of the track, it took almost all day to complete. By the end of our walk the heavens had opened up upon us and we were racing back to the bus to keep warm and dry. Our students made some lovely new friends from our companion schools and hopefully will have an opportunity to do some more outdoor adventures with them in the future!

## Assistant Principal's Report

### Learning Is Our Priority

Every day the teachers at Trangie Central School work hard to develop quality lessons for our students. We aim always to harness the natural curiosity of our students and develop the thinking skills and communication skills to enable them to thrive throughout their academic journey. When you visit our classrooms the passion for learning that we try to foster in each child is evident. The rooms are vibrant with displays, learning prompts, finished work samples and modelled learning. I love looking at what the children in each room are learning about and seeing the effort and thought that has gone into their work. Families are always welcome to visit our school and help out!

### Bedtime

Teachers are noticing a number of children turning up at school tired. Please refer to the flyer in this newsletter that has lots of practical ideas for establishing a sleep routine and why this is important for your child.

Teach your children well

## Helping Children Learn - Part One

### An excerpt from the SA Department of Education

Parents play a big role in helping their children to be confident and enthusiastic learners by encouraging them to believe they can do well at school, and that trying hard and doing their best is important. Parents can also assist their child with organisation, navigating challenges and solving problems.

Here are some tips and ideas about the little things families can do in their daily routines to help their child's learning.

### Aim high – believe in your child's potential

When a parent holds high aspirations for their child, they do better at school. Showing your child that you believe in them and their ability to do their best at school is really powerful – it builds children's confidence and helps them see themselves as someone who can do well.

Research shows that what parents believe about their child's ability to do well at school is linked to their actual achievements.

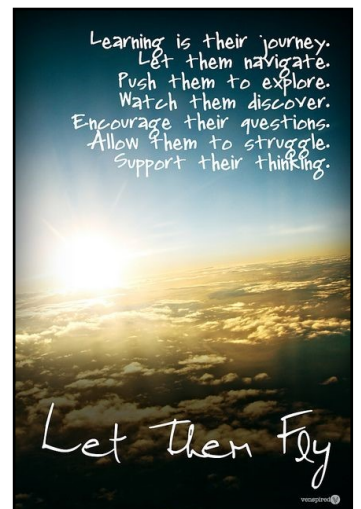

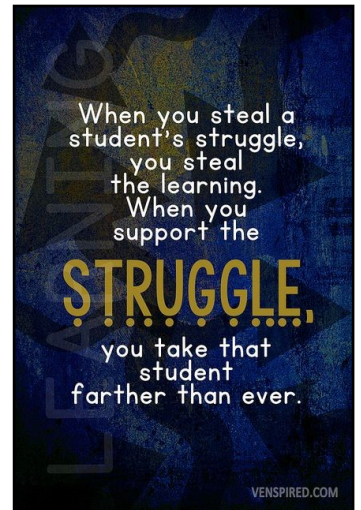

- Praise your child for trying hard (not just for doing well) and celebrate little successes.
- Aim high – let your child know you think that learning and school are important and that trying hard matters.
- Discuss children's dreams for the future with them– this is important at any age! Talk to your child often about their hopes or ideas for the future.

### Talk with and listen to your child

Spending time talking with your child helps them to learn and grow.

Simple ways to do this include talking about what they're learning at school and what they enjoy or find difficult. Listening is a really important job! You can also reminisce and chat about the times your family has spent together, your own childhood, or talk about big ideas – such as the things you and your family believe in, your culture, science and nature or important issues that are happening in the community or the country.

- Talk with your child about what's happening at school. Ask about activities, topics, what they are learning or what they found interesting or fun in their day. Talking like this helps them believe in themselves and gain confidence.
- Ask specific questions to out draw information – instead of 'yes' or 'no' questions, try open questions that encourage discussion.
  - ⇒ *How do you think you went with your maths or reading today?*
  - ⇒ *What made you laugh today?*
  - ⇒ *Who did you see being a helper today?*
  - ⇒ *What was the most interesting thing you did today?*
- Keep trying, even if the answers are 'good' or 'nothing'! Find out what your child's favourite subjects are and what they are learning about. Try to make connections between what they are learning at school and everyday life, such as practising reading and counting at the shops.
- Talk with your child about current issues and ideas. Exploring big ideas together is a way to get children thinking critically and being curious about how things work. Children can enjoy learning and putting their thoughts into words.
- Ask about friendships and relationships at school. Get to know who their friends are and how they spend their break times.

**GOOD  
LUCK!**

### **Good Luck!!!**

To our competitors who are off this week, representing our school in the Premier's Spelling Bee Regional Finals and also the PSSA Western Region Athletics competition. We wish you the best of luck and hope you gain a lot of valuable experience from the events.

Reports will be in next week's newsletter.

### **MADD Night**

We had a great number of parents and friends of our school come along to watch the students do their performances on Thursday night. The rain had set in but that's not enough to deter our loyal supporters! The teachers were so proud of the way the students conducted themselves; both on stage and off. We hope that you enjoyed the children's performances. We did hear that it was sometimes hard for our audience to see the smaller children on stage. We will definitely look at ways to rectify this before next year's show. If you have any other ideas to make the night better, please contact the school and let us know.

Nights like these are interesting as you see some children absolutely shine on the night and it is especially lovely to witness the development of the students over the years who perhaps a few years ago were very, very reluctant to step foot on stage and then, in 2018 they are up speaking into a microphone in front of a huge crowd or dancing their hearts out. Such growth is what learning is all about.

Here are some student report excerpts about their favourite memories of the night...

"All I could see was blackness but then music played and I saw a bunch of kids with black clothing jumping and dancing. I couldn't believe my eyes. They had words on their backs and I was amazed. Everyone was clapping and Phoenix and Charlie did fast cartwheels and I was blown out of my mind!" - **Aston Gordon**

"Boom! I could hear flustered children. I could see tonnes of people staring at me. I could taste nerves. Cam and Shakiya had started our play." - **Phoebe King-Heterick**

"I heard a loud drumming sound as the Aboriginal Dancers crept onto the stage. I saw arms and legs moving everywhere in time with the music." - **Ulahra Baxter**

"Glitter everywhere. Sparkles in her hair. Hayley had been transformed into the Fairy Godmother. With a flick of her wand Cinders turned into a Princess ready for the ball." - **Troy Sibley**

"My heart was beating. I was just about to swallow it. My head was aching until I finally got on stage. Looking into the audience I could see my Mum smiling." - **Marley Kerr**

"The lights blasted onto the stage. Year 11s were sitting on tables thinking about doing something for MADD night. One of the Year 11s, Bonnee, entered the stage from the audience and tripped (on purpose) causing everybody to laugh." - **Mackenzie Young**

### Fashion Designer in the Making!!

STEM can be so boring but not for me! In 3/4S we have a STEM box and I picked a newspaper dress challenge that you had to make out of sticky tape and newspaper. I had a bit of help from Mum. I also put a bow on it. If you are making one you have to make it strong with newspaper and sticky tape. I folded my newspaper and sticky taped it together. I did it again and again and again until it was long and it could wrap around my hips. So then I had a skirt but not a dress. Next I had to do the top bit and I added a bow on top.

## G/N NETBALL & TOUCH FOOTY

We had a very rocky start to our Touch Football and Netball sporting day in Warren on Friday. The clouds were rolling in with extremely loud thunder and lightning. Warren even had hail, yet the day continued. Trangie Central School students never cease to amaze me. The behaviour, skills, friendliness and sportsmanship were spectacular. There are so many people to thank such as Marilyn Benson and Bronwyn Taylor for transporting students. Ladies you are gems. To the office staff for the endless paperwork and organisation, WOW!!! Thank you ladies.

Mrs Ryrie, Mrs Sippel, Miss Alex, Miss Bailey and Miss Lyndel, thank you very much for ensuring our students had a great day and knew exactly where to go and what positions to play etc. Priceless dedication, attitude and overall cheerfulness.

Mrs Gleeson bought along a chair and expected to watch her daughters play some great netball, BUT OH NO!!! Netball umpires were needed and Mel jumped up without hesitation. Mel you are a champion and we can not thank you for ALWAYS stepping up with endless amount of coaching and mentoring.

Thank you to Kia Greenwood, Ben Skinner, Cheyenne Kemp and Daizie Dolphin-Smith for the super umpiring and refereeing. Secondary students are always on hand to help at sporting events. We certainly got the best on this day. Miss Skinner you are also a champ for choosing these helpful, compassionate, supportive yet hilarious students.

### **Cheryl Rowley** **Organising Teacher**

*I would just like to pass on my compliments to you and your staff on the conduct and behaviour of all the students who attended the combined schools sports day at Warren last Friday. I was very impressed by all the students in their commitment to the sports that they played and to their teams. Even though in some games that I watched, the game score was well and truly not in their favour, the whole team continued with their commitment to play the game with all their might until the bell. Even though a lot of students played a lot of games and changed from netball to touch footy, they found that extra "fuel in their tank" to play their best in whatever game they happened to be playing. A "never give up" attitude was well in play. Not once did I witness a student lose their temper if his/her team was losing.*

# G/N NETBALL & TOUCH FOOTY

### Senior Netball Team 2

On Friday the 7<sup>th</sup> of September Year Three to Six went to Warren to play touch footy and netball. In our team we had seven players.

The people in our team were Mia Gleeson, Audrey Kater, Zoe Andrews, Matilda Brennan, Bridie Hayden, Ella Day and Koby Kilgour. We played Tullamore, Peak hill, Warren, Tottenham and we were undefeated all day.

The first game we played was against Warren and we won 15-1. The second game we versed Peak Hill with a score of 15-1 again. On the third game we played Tullamore and won, and the final game we played was against Tottenham and won.

Each game went for 15 minute halves and over our whole day we had a lot of fun.

*By Audrey Kater & Mia Gleeson*

### Senior Netball Team 1

On Friday the 7<sup>th</sup> of September a group of kids went to Warren for the netball and touch football gala day.

The players in our team were Katelyn O, Kaylee A, RJ Connor, Ruby A, Mackenzie Y, Montanna G, Hayley S, Shakiya H and Marley K.

Our first game was against Warren. We sadly lost and the score was 15-1. The second game was against Tullamore and we sadly lost again. The third game was against Peak Hill and the fourth game was against Warren mixed. The last game we played was against Narromine and we tied.

We had a wonderful day! Thankyou to Ms Rowley for organising us, Miss Alex and the other teachers who helped us on the day.

*By Katelyn O'Neill & Kaylee Appleyard*

### Junior Netball

On Friday 7<sup>th</sup> of September a group of people went to Warren to play netball and touch football. There were two senior teams in netball and 1 junior team and there was one senior football team and one junior football team. I was in a team with Zalia. My team won all of our games it was so fun when we won all of our games.

*By Remy Gleeson*

## G/N NETBALL & TOUCH FOOTY

### Senior Touch Football

On Friday the 7/9/18 we went to Warren to play touch football and our first game we versed Warren and unfortunately we didn't come up with the win in that game. However, Connor scored a super try by making a line break.

We versed Tottenham in the next game and we won because we got a pocket rocket from netball and his name is RJ he got us 3 tries.

In the 3<sup>rd</sup> game we versed Narromine it was a tough game and we didn't come away with a win. Toby made a mad break and scored a try. RJ also scored another try.

The 4<sup>th</sup> game we played Tullamore and came away with a convincing win. RJ scored 3 tries, Jayden scored 2, Mitchell got one try and Toby scored one try. We had a great game and displayed great passing skills on the outside play. Finally for our 5<sup>th</sup> game we played Peak Hill and came out with another win.

Overall we had a great day. In our team we had the following players: Toby, Mitchell, Jayden, Archer, Charlie, Brock, Connor and RJ came in as a sub.

We would like to say a big thankyou to Miss Bailey and to Lyndel (aka Trevor) for coaching us on the day and keeping score.

*By Jayden Dunn & Toby Greenwood*

### Junior Touch Football

Last Friday we went to Warren to compete in a touch football and netball gala day. I played football and I had Cam, Charlie M, Brayden, Phoebe, Maddison and Austin on my team. We played three games and won our game against Peak Hill. Unfortunately Narromine and Warren were too strong for us on the day. Cam and I scored a few tries. Our team played well together and we had fun helping the newer players learn more about the game. Miss Rowley was in charge of our group and she would get really excited if we scored a try and she would cheer for us from the sidelines. I like going away for sports because I like to run around and its fun being with my friends.

*By Jock Kater*

I played netball for TCS. We were in a Gobondery/NARRAF Gala Day at Warren. My Team played six games and won three of them. I mostly played centre and that's my favourite position because you can go almost everywhere on the court and it's fast paced. On my team there was Ruby, Montanna, Hayley, Katelyn, Mackenzie, Marley and RJ. Montanna played really well and Ruby and RJ were fast and zippy. RJ got most of the goals, he is a really accurate shooter. Miss Alex was looking after our team all day and Daizie Dolphin-Smith was our umpire. A big thank you to both of them!

*By Shakiya Mill-Hull*

## Assistant Principals

Jo-Anne Ellis  
Jacky Murtagh

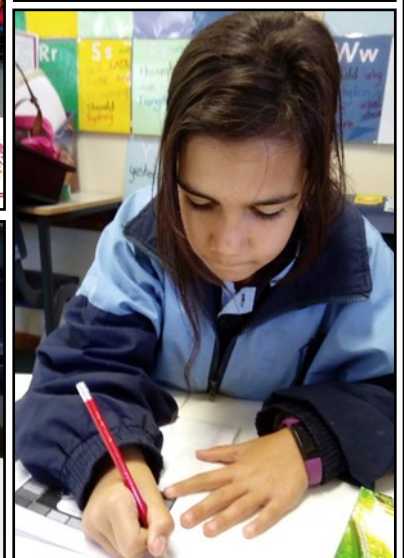

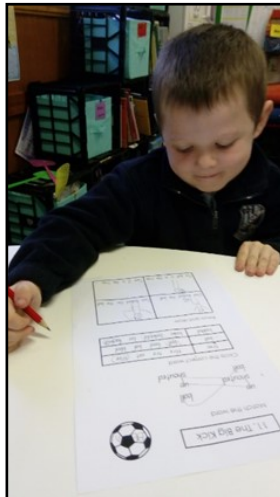

Never ends in my role; and I wouldn't have it any other way. Variety is the spice of life and variety is definitely in my vocabulary. This term I have been involved in workshops to expand my knowledge and to gain a better understanding of my role, even attending a Primary Aboriginal Dance group from Years 5 and 6 in Nyngan on Tuesday 4<sup>th</sup> September. It was by far the greatest enthusiastic and rewarding day.

I continue to support students in many areas of reading, writing and basic literacy needs, along with PE in the Kindergarten/Year 1 class and History in the Year 1/2 classroom. Students in Year 1 and 2 have explored, recognised and appreciated the history of Trangie Central School and its development over the years. Students discovered many plaques within the school grounds to help them determine the age of school etc.

On Friday 7<sup>th</sup> September saw thirty five students participate in the Warren Touch Football and Netball Gala Day. It always amazes me the behaviour of our students, *they are simply the best*. Students had a terrific day, displaying sportsmanship that is worthy of Olympic athletes. Admirable students at Trangie Central School.

Don't forget about Marathon Health's FREE hearing test/screening available at school on Monday 24<sup>th</sup> September. If your child has not received a note and you're concerned about their hearing PLEASE contact myself or the school for a note.
