Trangie Central School

School Photo Date:

Friday

5th April 2019

Dear Parents,

School photo day is coming up very soon. Group and portrait photos can be purchased by following the link below or by using the envelope (to be distributed soon).

Important Information:

- School photos purchased online DO NOT require envelopes returned to school
- Don't forget to order your sibling photos now
- **Late fees/additional charges will be applied for purchases after photo day**
- Photos will be returned to your school for distribution approximately six weeks after photos are taken
- Past years' photos including sports, co-curricular and representative groups available at school's **advancedlife** & your **advancedyou** photo sites (follow the link below).

*Sibling photos must be ordered either online or by order envelope prior to the day of photos. A photo will not be taken without an order. Sibling photos only apply to children enrolled at the school.

advancedlife would like to express our appreciation to Trangie Central School for placing your trust in us. Please remember we offer a 100% money back guarantee on our products to ensure your peace of mind. We would also love to receive your feedback or resolve any issues you may experience as fast as possible, to ensure your satisfaction. If you have any questions, comments or feedback relating to your **advancedlife** experience please contact us at-

enquiries@advancedlife.com.au

Teach your children well

FROM THE PRINCIPAL

Hi everyone – Enrol in TCS - We lead the way!

A Whole School Project

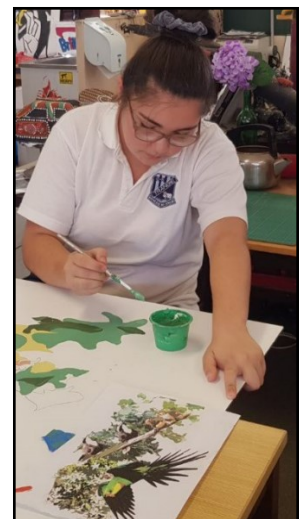

Last week we were honoured to welcome Jack Randell at our school again to lead our school mural project. The aim of the project was to develop creative thinking and for the students to work as a whole school, both Primary and Secondary, towards creating a beautiful artwork that would enhance our school and also teach about the birds that live in Trangie and in our playground.

The first of our 4 murals are scheduled to be erected next Wednesday and I know that all students will feel both pride and a sense of accomplishment for having been a part of creating something so wonderful.

The strong sense of being part of a team and of belonging that exists at TCS is essential for strong mental health and is the reason for our reputation for excellence in Wellbeing. Students cannot learn if they do not feel valued and safe, and as one of the recognised top five schools in our system, we are excellent indeed.

The students loved being involved in this project and when you see the end result I know you will be as impressed as I am with what they achieved.

Bus Behaviour

All students should be reminded that behaviour on school buses should be exemplary. Seat belts, if fitted, need to be worn at all times and the instructions of the driver followed. The school and the bus companies work together to ensure that students remain safe at all times, and also do not fail to meet the high expectations that our school has of all students wearing our uniform. There will be consequences imposed by our school if students fail to behave respectfully and safely on the bus.

FROM THE PRINCIPAL

TCS Tertiary Opportunity Prize

At TCS we believe that providing further education, training and career opportunities has the power to change lives and enrich communities. Our Tertiary Opportunity Prize is dedicated to doing exactly this. We already have one beneficiary attending university and she will be able to claim the cost of textbooks and other study materials from her prize money. SchoolsPlus has been incredibly helpful in assisting us to establish our fundraising project, and with their coordination we have tax deductible status. All funds for this worthy cause are raised through donation and I have included the link below.

Project Link: <https://www.schoolsplus.org.au/rewarding-commitment-learning-across-years-11-12/>

THANKYOU – Everyone at TCS would like to thank our most recent donor, Mr Khushaal Vyas, from the NSW Law Society for his generous donation of \$500. He wrote a lovely message on the site and has given his permission for me to include his sentiments on our newsletter.

Having been returning to Trangie Central School when organising volunteer programs through the NSW Law Society, each time I am more and more amazed by the brilliant work the school is doing and the potential of its wonderful students. Such fundraising initiatives are incredibly important for equal opportunity and I look forward to supporting it each year.

Khushaal Vyas (NSW Law Society)

Drought Relief

Everyone at TCS would like to thank Wenona School in Sydney for raising funds to assist our students and ensure that they do not miss out on any educational experience. The \$2350 that was raised has been used to reduce the cost of excursions per head as the cost of bus travel is so very expensive. I have written to Dr Scott, the Principal of the Wenona School and thanked her on behalf of our students. I would also like to thank Mr James Hamilton for promoting our cause.

Primary Interest Groups – Challenging our brains

Students of all ages meet together to develop problem solving strategies and pit their thinking powers against their peers in friendly competition, with Ms Ebsworth lending a guiding hand when needed.

Homework Club

As always, our school is committed to providing the very best opportunities and support for our students. For this reason we will be beginning a Homework Club after school on Thursday afternoons from 3pm until 4pm in our school library. This is not an opportunity for playing computer games, but rather a chance to catch up on homework, seek help with unfinished classwork or work that is causing issues and access the resources available in our library. The Homework Club will be open to both secondary and primary students, manned by volunteers from our teaching staff. A drink and a snack will be provided, but students will be expected to remain for the whole hour unless picked up by a parent.

We will trial this opportunity and will continue if there is sufficient interest.

Finally

My door is and always has been open – whether you are happy, sad or mad. I need to know if we are not doing something right but I also need to know that you trust our motives and our intentions. Everything we do, every single day is for YOUR children. If we can do it better, tell us. Facebook is for cowards – so please tell us to our face!

All the best,
Anne Holden

Head Teachers' Report

World of Maths

The travelling road-show, *World of Maths* will be visiting our school tomorrow to provide a variety of practical challenges in mathematical problem solving to our students from Year 4 to Year 8. The students work in groups and navigate their way around workstations with hands-on activities that make learning maths fun.

Field Studies and Excursions

Some of our Senior students will soon be participating in excursions to Dubbo and the Warrumbungles National Park to further their understanding in Science subjects including Physics and Biology. These are valuable opportunities for students to gain knowledge of subject content and engage in practical tasks that compliments their learning in the classroom.

Once again, I encourage all permission notes to be returned promptly to the school.

Brilliant Bowlers Bowled Out

Last Friday saw the first round of the WSSA Mixed Lawn Bowls trials played at Trangie against Parkes High School.

Jarrold Kohlenberg, Logan Fraser and new member to the team, Kai Greenwood played Parkes in a very hard fought game with the lead changing end to end. The boys played well coming from behind five down at one point, to being equal and in front of the Parkes team, but unfortunately the boys went down in the last few ends. The final score was 20-11.

This sees our team bow out of this particular bowls comp, but there will be more competitions to come as the year progresses.

Jack Randell Visit

Last week we had the privilege of well renowned Dubbo regional artist Mr Jack Randell working collaboratively with our students in creating a mural. The mural depicts local native birds and flora in Trangie. Students were engaged in colour mapping painting techniques in producing the artwork that will be installed on school grounds in the coming weeks. Jack is becoming a familiar face in Trangie and you could say he has been our very own artist in residence. We look forward to the unveiling of the artworks and if you haven't seen it already, check out another of Jack's works titled *The Travellers*, located in the community park.

Year 9/10 PASS - Seniors Olympics

Last Thursday, our Year 9/10 PASS students had the privilege of working with the Trangie Local Aboriginal Land Council and Kurrajong Court to put on this years Seniors' Olympics. The students were responsible for organising the activities for the athletes and enjoyed being able to help on the day. We look forward to being able to do it all again next year.

Teach your children well

Assistant Principals Report

Contributing To Our Community

Primary students all love the opportunity to contribute to our community and make Trangie a great place to live. Last Friday each class got involved in Clean Up Australia Day. As a school we spent one hour, working on designated areas within our town. The younger classes mostly concentrated on the school grounds whereas the older children picked up rubbish along the highway, down alleyways and in our streets. The staff were impressed with how sensible the students were and how eager they were to 'hunt out' rubbish. The great news is that rubbish was quite hard to find which must mean that as a community we are more aware of looking after the planet!

On Tuesdays our children also go to visit the elderly residents at Kurrajong Court. When they are there they may perform songs that they've been learning in class, do a 'show and tell' about the things they are learning at school, read to the residents or even do activities like playing cards. It is so important that young people get to spend time with the elderly and by all accounts the residents really look forward to the students' visits. The following timetable guides our visits throughout the year.

Term 1
TCS Kurrajong Court Visits
Tuesday afternoons
2.05pm-2.40pm

Date	Class
Wk 6 5/3	Yr 6
Wk 7 12/3	Yr 4/5
Wk 8 19/3	Yr 3/4
Wk 9 26/3	Yr 1/2
Wk 10 2/4	K

Our involvement with the 'Meals on Wheels' program continues and is seen as a rite of passage for our Year 6 students. Every Tuesday, two student volunteers travel around town with a meals on wheels driver, delivering food to elderly community members and having a little chat with the people they visit. This week Aston Gordon and Connor Mitchell joined Mr Sanders to deliver the meals. Our students are proud to connect with people, make a difference and develop empathy for other people.

Applications for the 2019 State Music Camps are now open!

Talented music students join together for one week each year to receive expert tutelage and develop their performance skills. Participants rehearse and perform high quality repertoire culminating in a concert for families and friends on the final night of the camp.

Musical activities at camp include participation in a major ensemble (symphony orchestra, symphonic bands, vocal ensembles, stage band) as well as a number of elective ensembles and activities. Elective activities include brass and woodwind ensembles, jazz improvisation, composition, music theatre, percussion ensemble.

Dates for 2019:

- Junior Music Camp (Years 5-8): Sunday 21 July - Friday 26 July (Week 1, Term 3)
- Senior Music Camp (Years 8-12): Sunday 30 June - Friday 5 July (Week 10, Term 2)

For more information and to apply please see our website:

<https://www.artsunit.nsw.edu.au/state-junior-and-senior-music-camps>

Reminders

- ♦ Children need healthy lunches and broad brimmed hats EVERY day
- ♦ Year 5/6 Sydney Excursion notes - Consent forms for Manly Surf School & Rock House Indoor Climbing, packing list, Elanora Uniting Venues Special or Medical Diets form and Itinerary were sent home on Monday.
- ♦ Year 3/4 Lake Burrendong Sport & Rec Excursion were sent home on Monday. Please return with deposit ASAP.
- ♦ Children doing meditation and yoga need loose, comfortable clothing (eg. tights & singlet top) on Wednesdays

CHECK IT OUT

On the 20th of February Year 6 went to 'Check It Out Day' at CSU in Dubbo. We completed different experiments. One of them was with a nurse who told us how to keep our hands clean and hygienic. We used a blue light to see the germs on our hands. Some results were really shocking!!! They took us to see their dentistry unit where you can go for any dental work which will be carried out by trainee students. They then showed us the rooms where university students stay throughout their 4 years studying and we went to the sports lodge where they had an indoor gym and recreational lounge. We had a rest here and some of us played pool. After that they took us to the theatre room where they give lectures and put a game of football on so we could see how well the screen worked. The last place we visited was the library. It was massive! There were 2 stories of floors and there was a lot of study equipment. It would be an awesome place to study one day.

WHAT CAN I DO AT HOME TO HELP MY CHILD BECOME A GREAT READER?

- **READ ALOUD TO CHILDREN**
It helps them to learn the language of books and will encourage them to enjoy books and reading. Let them listen to the Storyline Online picture books on the computer. Then...
Tell and re-tell stories of all kinds including favourite stories, fairy tales, movie plots, local news items and family history.
- **MAKE SURE YOUR CHILD SEES YOU READING AND WRITING IN EVERYDAY LIFE**
reading for pleasure, reading and using a recipe, reading the TV guide, making a shopping list, reading letterbox flyers, writing birthday cards, reading and writing notes and letters to family members, reading street signs and playing board games after reading the rules together. Encourage them to join in. This teaches them that reading and writing are useful skills in today's world.
- **IT IS IMPORTANT TO READ TO YOUR CHILD IN YOUR HOME LANGUAGE**
If your first language is not English. Experience shows that using your home language will help your child to learn to read in English.
- **MAKE SURE THERE IS A WIDE RANGE OF READING MATERIAL FOR YOUR CHILD AT HOME**
comics, children's recipe books, magazines, nursery rhymes and poems, stories from other countries, games rules, online readers (Unité for Literacy or International Children's Digital Library are free resources. Epic is a subscription based resource). There are other links to quality online reading sites on readthinklearn.com.
- **TRY NOT TO LET TELEVISION INTRUDE ON READING TIME.**
Make a special time for reading with your child or even better - as a family! Establish a bedtime reading routine.
- **LISTEN TO YOUR CHILD READ EVERY DAY**
even for a short time.

AND DO REMEMBER...

- Encourage your child to read anywhere and at any time. Have fun - read under the table, under a blanket, in the tree hut, under a tree, at the park.

www.readthinklearn.com

HINTS FOR LISTENING TO YOUR CHILD READ

OFTEN PARENTS ARE ASKED BY THE SCHOOL TO LISTEN TO THEIR CHILD READ AT HOME. IT'S A GOOD WAY OF SUPPORTING YOUR CHILD'S READING. BOOKS MAY BE SENT HOME AFTER BEING READ AT SCHOOL, BORROWED FROM YOUR SCHOOL LIBRARY OR YOUR LOCAL LIBRARY.

READING WITH YOUR CHILD AT HOME WILL HELP YOUR CHILD IN ALL LEARNING AREAS OF SCHOOL.

- Before reading, talk about the cover, the title, the pictures, and discuss what the book may be about. Be a reading detective - what might happen in the story? who are the main characters, where is the story happening and what clues about the story can you see or imagine?
- During reading, discuss what has been read up to that point, and imagine what will happen next.
- When reading a harder book together, take turns. Beginning readers can read the repetitive parts and more experienced readers can read a paragraph or a page.
- After reading is finished, talk and ask questions about the story and the pictures.
- On finding an unknown word: Pause to give your child time to work out the word Prompt by:
 - ✓ look at the first letter and think about what the words could be.
 - ✓ can you see any other words in the word?
 - ✓ look for a clue in the picture or the words
 - ✓ go back to the beginning of the sentence, or read past the difficult word to the end of the sentence.
 - ✓ ask "Does this make sense?"
 - ✓ try to sound out the word
 - ✓ if necessary, tell your child the word

PRAISE YOUR CHILD FOR TRYING EVEN IF MISTAKES ARE MADE! ENJOY READING - IT SHOULD BE FUN.

Featured Film
'WILD' Starring Reece Witherspoon

With the dissolution of her marriage and the death of her mother, Cheryl Strayed has lost all hope. After years of reckless, destructive behavior, she makes a rash decision. With absolutely no experience, driven only by sheer determination, Cheryl hikes more than a thousand miles of the Pacific Crest Trail, alone. WILD powerfully captures the terrors and pleasures of one young woman forging ahead against all odds on a journey that maddens, strengthens, and ultimately heals her.

Please follow the Dubbo Violence Prevention Collective FB page for any cancellations in case of bad weather

Western NSW Regional Suicide Prevention Forum

10 and 11 April, 2019
Cattleman's Country Motor Inn, Dubbo, NSW

Western NSW Primary Health Network (PHN) and Wesley LifeForce are excited to bring together community members, service providers and stakeholders to share understandings of suicide across our communities. There will be opportunities to discuss strengths and challenges faced in the prevention of suicide.

The Forum will include:

- Presentations of work being undertaken in Western NSW and other Australian communities,
- Research on effective initiatives in suicide prevention,
- Examples of resources and training programs available to upskill community members and workers,
- The opportunity to participate in the development of the first Western NSW Regional Suicide Prevention Plan.

Your invitation and program will be sent out shortly. We hope you can join us. For further inquiries contact LifeForceNetworks@wesleymission.org.au

NDIS

Early Childhood Early Intervention (ECEI)

For a child under 7 years old with a developmental delay and/or disability that results in a substantial reduction in functional capacity in 1 or more areas of development. The child under 7 years old does not need a diagnosis but evidence of how their delay affects their everyday function is required.

Are you concerned about a child's development? – how they play, how they socialise with other children or how they communicate their needs and wants.

Connect with your
NDIS Early Childhood Partner:

Mission Australia

Email
eeceiwesternandfarwestnsw@missionaustralia.com.au

Phone
1800 932 118

The EC partner will provide the family with guidance and information that will help the family make decisions about the right services and supports for the child. Examples of how the child's delay or disability affects the child's participation and inclusion at preschool is very beneficial to the EC partner in this process.

If the child is best supported by
Services in the Community

The ECEI partner will provide information and linkages to supports and services in the local community. i.e Health. They may provide short term initial early intervention supports if needed.

If the child is best supported by
an NDIS plan

The ECEI partner will work with the family –

- o to request an NDIS access (ARF)
- o Once confirmed develop a plan.
- o Once the plan is approved connect the family with providers of their choice. i.e OEI

Supports and services will be different for each child depending on their circumstances

Developed by Orana Early Childhood Intervention, 2019
