EVERYONE WELCOME!

FROM THE PRINCIPAL

Hi everyone - TCS - Kind to everyone: in every way, every day!

Young Change Agents go to Melbourne

After our huge three days last week, amazing news!! We have been notified that TWO teams from Trangie have been selected by the Telstra Foundation and Young Change Agents to attend the highly regarded and sought after event, Telstra Advantage in Melbourne on 5th September.

The day before the event, Telstra will fly our two teams, three students in each, down to Melbourne. There they get a chance to practise their pitches and have dinner with the team at Young Change Agents on the 4th September. The students and their teachers will stay the night in Melbourne with the other selected teams and present their pitch in front of an audience at Telstra Vantage on the 5th September. The students will get the chance to see all the exciting new technologies that are shaping the 'revolution change' and sit down with mentors to talk about their ideas and how to take them further. We intend to travel down to Melbourne for an extra day in order to make the most of this wonderful experience.

The students who have been selected, were chosen by the Young Change Agent team for their ideas and performance during last week's workshops and presentations. Their success demonstrates the quality of our STEM program and how well this program develops the skills that will enable our students to be the Change Agents of the future.

To know more about Telstra Vantage™, head to: <https://www.telstra.com.au/business-enterprise/events/telstra-vantage>.

Thank you to the Telstra Foundation for supporting this initiative. More about the Telstra Foundation can be found at: <https://exchange.telstra.com.au/telstra-news/telstra-foundation>

A Culture of Caring

At Trangie Central School we are proud of our strong Wellbeing Focus. Every student, every teacher, every day models and lives by the same set of values. The same message is given across the school and our school is seen as a safe and happy place for all students, regardless of who they are.

Our expectations are high and consistently applied. Even though examples of bullying at our school are rare, we believe that if such behaviour does happen it must be dealt with immediately with predictable consequences. This week we have launched a system where students have an avenue where they can report any behaviour which makes them feel unhappy.

Thanks to Mr McDonald for his work in designing the poster and referral form and also the beautiful and creative boxes for the students to make their referrals.

Teach your children well

FROM THE PRINCIPAL

Thumbs Up

We Definitely Look as Good as We ARE

We saw a need for new TCS Netball dresses for our senior students and after a discussion between Jess Skinner and Mel Gleeson, we got to designing a dress which aligned with Mr Jones' design of our current rugby league, touch football and netball sports uniform.

Mark and Mel Gleeson of Mark Gleeson Constructions and Jess Skinner of Selway's Warriors, have donated 22 new dresses to the school which our students will wear at the 24th Ronny Gibbs 7's in Bourke on the 21st August.

Not only do they look amazing but the feedback from our students is that they feel great too. We are so grateful for such proactive and generous members of our school community. Massive THANKS!

Enrolments for Kindergarten and Year 7 2020 now being taken

Early Birds runs every Wednesday morning and the students have great fun making things, learning about numbers, shapes and colours in our beautiful Cola and balancing on beams in the playground.

This week we are making frogs and having great fun learning about them and also learning to take turns and work in a team.

One of the children called Mrs Corcoran ‘Your Majesty’ this morning, so maybe that might be next week’s lesson!

CONGRATULATIONS

Congratulations to Emma-Jean Edwards for her success in athletics last week. Emma-Jean will compete at Homebush at State level in Discus, Shot Put and she also qualified for Javelin. Well done, Emma-Jean; expert training, hard work and talent have been reflected in a huge improvement in performance resulting in these great results. Your family and your school are very proud of you and wish you good luck for the next level.

Congratulations also to Phoebe King Heterick, Christian O'Neill and K Ebsworth who are all heading to Moorambilla very shortly. I look forward to the concert that follows this in Dubbo.

Education Week

On Monday I had the pleasure of attending the launch of Education Week, accompanied with representation from both secondary and primary. This was hosted in Dubbo at Dubbo College Senior Campus. I was not really sure what to expect but was absolutely amazed to see what the power and talent of Public Education can achieve. The young people who spoke or danced or sang were immensely talented and showed that money can't buy talent but instead Public Education identifies those who demonstrate talent and then fosters and develops this ability to its fullest.

The technology that allowed the event to be shared between Dubbo and Sydney simultaneously was awesome. The Minister for Education was with us and the NSW Premier in Sydney. Both of these leaders are proud products of Public Education – Gunnedah HS and Ryde HS respectively and this is a very clear example of how it is not necessary to pay a fortune for fancy buildings in order to do well. Success comes from hard work and taking advantage of the huge number of opportunities available in Public Education that makes anything possible.

Finally

My door is and always has been open – whether you are happy, sad or mad. I need to know if we are not doing something right but I also need to know that you trust our motives and our intentions. I do teach, so if you need to talk to me for any reason, just call the office and arrange a time that I am not on class or in a meeting. Also, don't forget our suggestion box at each side of the school.

Everything we do, every single day is for YOUR children. If we can do it better, tell us. Facebook is for cowards – so please tell us to our face!

Walanginya Yawarra-ndhu (Be good, be careful)

Head Teacher's Report

Trial HSC exams

Year 12 students have now been given their Trial HSC exam timetable. Exams will be held in the mornings to ensure that students are as fresh as possible, ready to focus and demonstrate all that they know and can do in each subject. All students should be revising skills and content for each course in order to do their best.

During the exam period, whenever students are not sitting an exam, they are to attend their timetabled lessons. Teachers will be using the time for revision and exam preparation, and giving students assistance as required.

Year 6-7 Transition Information Evening

*Please join us for the Trangie Central School
Year 6 to 7 Transition Information Evening*

Thursday 15th August 2019

6.00pm – 7.00pm School Library

This evening will give parents a chance to meet our staff and learn about the broad range of exciting opportunities our school will provide for your child.

Please RSVP by Monday 12th August 2019

Trangie Central School

(02) 6888 7578

Trial examinations will be held during Weeks 5 & 6 (19th-30th August) this term. It is a good idea to speak to your class teachers and complete some practice examination papers to become familiar with the structure and timing of the exam. It will also be beneficial to set some time aside to complete some revision for each subject. This year students will be expected to remain at school and attend normal classes when they are not in an examination.

Trial HSC Exam Supervision Roster

Week 5 - A					
Time	M	T	W	T	F
Exam	English Advanced Paper 1 (9.00-10.40)	English Advanced Paper 2 (9.00-11.05)	Ronny Gibbs – Exam Free day	Industrial Technology (9.00-10.35) Biology (9.00-12.05)	Mathematics Gen2 (9.00-12.05) Mathematics Advanced (9.00-12.05)
	English Standard Paper 1 (9.00-10.40)	English Standard Paper 2 (9.00-11.05)			

Trial HSC Exam Supervision Roster

Week 6 - B					
Time	M	T	W	T	F
Exam	Chemistry (9.00-12.05) CAFS (9.00-12.05) Visual Arts (9.00-10.35)	Modern History (9.00-12.05) Primary Industries (9.00-11.05)	Agriculture (9.00-12.05) Hospitality (9.00-11.05) PDHPE (9.00-12.05) Physics (9.00-12.05)	No Exams	Music (9.00-11.05)

INSTRUCTIONS FOR STUDENTS:

- Attempt all questions
- You cannot leave in the first half hour or the last half hour of scheduled exam times.
- Ensure your name is written your paper
- Mobile phones must be switched **off** and remain in your bag.
- Bags are to be left at the front of the examination room

Young Change Agents Program

Last week, Trangie Central School held the Young Change Agents Program, sponsored by Telstra, for 40 students from Year 7 to 11. This program helped develop the mindset, skillset and toolset for youth to become entrepreneurs.

The students worked in teams on social, environmental and/or economic issues that were relevant to our district and community. They didn't need to have any prior knowledge, just an interest in being involved. There were 8 teams who pitched their final idea to a judging panel of three community members after two days of preparation. The pitches were amazing and were a real credit to their teams.

The final winners were the Vege Patch Pack which consisted of a DIY greenhouse that digitally monitored soil temperature, moisture and temperature through an app. There is an opportunity for members of two groups to head to Melbourne in September to pitch their idea in front of about 5000 people at the Vantage Expo. An amazing opportunity!

Trangie Auscott Cotton Gin Tour

Thank you to Andrew Cayzer (Trangie Caravan Park), who was courageous enough to talk to and take more than 20 students on a tour to the Trangie Auscott Cotton Gin last Thursday. Year 9/10 are studying sustainable biomes and the production of food and fibre as part of Geography this term and have learnt a lot about the production of cotton and the modifications that have been made since the 1960's to increase the yield of this crop. Thank you also to the staff at the gin who provided the kids with take-home bags which included cotton samples and additional information, which will be very useful for students as they complete their assessment task this term!

Madeleine Bretag
Geography Teacher

WSSA Athletics

On Friday, we had seven of our athletic superstars travel into Dubbo to compete in the WSSA Athletics trials. David and Brock represented TCS in high jump, while Kai competed in javelin. Also demonstrating their might with the javelin was Narelle (who also competed in discus) and Emma-Jean who heads off to State next month after placing 2nd in the event. Daizie soared into the top 6 for a fourth attempt in the shot put, placing 5th overall. On the day, we also had our super supporter, Sonny, who unfortunately didn't make it in time for his event but made up for it by cheering on the other competitors!

Emma-Jean Edwards had a fantastic day at the carnival and is heading off to State WSSA in three events, two of which were new personal bests!

Shot Put 1st 11.74m (PB)
Discus 1st 30.27m (PB)
Javelin 2nd 18.25m

Good luck in Sydney Emma!

Madeleine Bretag
Secondary Sports Coordinator

Other results are as follows:

Narelle Shillingsworth-Budd	Shot Put	10th	7.92m
	Javelin	5th	22.92m
Daizie Smith	Shot Put	5th	8.14m
David Barclay	High Jump	4th	1.45m
	Long Jump	15th	3.7m
Brock Kilgour	High Jump	6th	1.40m
Kai Greenwood	Javelin	7th	21.51m

Susie Sarah – author talk

Student reports

Today in English, author Susie Sarah had come in to talk about the drought and her books. After that Susie talked about the Bunyip. Also about whale hunting; it was about the killer whale “Tom”. The session went for one hour. Personally, I enjoyed it. It was really interesting! Susie has also published over ten books! I would like to say thank you to Susie for coming out here in her own time, so thank you Susie. **Luke Reynolds - Year 7**

Old Tom

Old Tom is a book by Susie Sarah and explains how Aboriginal people used to splash the water and sing to the whales. When Aboriginal people near Eden hunted humpback whales to feed their tribe, they cut off its lips and tongue and threw them back into the water as a gift to the killer whales who helped them. “Do you know who’s in charge?” Susie asked...Everyone thought it was Tom but it was Tom’s mother! Thank you to Susie Sarah for coming to Trangie Central School. **Sienna Magill - Year 7**

Assistant Principals' Report

Education Week Launch

On Monday morning our School Captains, Vice Captains and Primary SRC team travelled to Dubbo to participate in the launch of Education week for this year. The event was co-hosted by Dubbo Senior College and a Primary school in Sydney. The Premier, the Minister for Education and other dignitaries were present for the event. Our students were able to share in examples of the great things happening in Public Schools across the state and they listened to the politicians speak about their visions for Education.

The theme for this year is 'Every Student, Every Voice' and speaks about how imperative it is that every child feels heard, seen and valued. It's about empowering kids to seize opportunities, take risks and learn. Importantly, it also reconfirmed our strong belief that EVERY child should have access to a great quality public school, staffed by passionate teachers, funded well and with access to the best programs and learning available in our huge state. Every child deserves the chance to learn and to be empowered by a quality education.

Congratulations to our school leaders for once again displaying the behaviour and values that we expect from our students. You're a terrific bunch!

Can you help?

The Year 4/5 class are requesting that clean tin cans are brought in for school. They plan to grow Giant Russian Sunflowers for their fete stall.

Year 6 would LOVE donations of glass jars (preferably filled with goodies) for their bottle stall at the fete.

P&C are calling on volunteers to man the BBQ at the Trangie Truck and Tractor show. Please phone the school to confirm your availability.

**THE BEST PART OF
COMPETITION IS THAT
THROUGH IT WE DISCOVER
WHAT WE ARE CAPABLE
OF - AND HOW MUCH MORE
WE CAN ACTUALLY DO THAN
WE EVER BELIEVED POSSIBLE**

@LIFEISWORTHCOMPETINGFOR

Good Luck Athletes!

We wish strength, determination, perseverance and all the luck in the world to our large team of athletes who will be heading to Dubbo next Tuesday 13th August to compete in the Gobondery/NARRAF Athletics Carnival. Children are reminded to wear their PE uniform, pack plenty of food, water and sunscreen.

The bus will leave from Trangie Central School promptly at 7:45am and from Dundas Park, Narromine at 8:15am.

Book Fair & Book Parade

We LOVE books at TCS and to celebrate Book Week our students will be participating in a dress up parade on Friday the 23rd August. Children are asked to come dressed as their favourite book characters. The scholastic Book Fair will be running in the Library for that entire week. Mrs Anderson will also be keeping the Library open after school for families to come and visit and purchase a new book.

Jacky Murtagh

Sports skills funding

Our school was successful in gaining a grant through the Sporting Schools Fund to run a series of netball lessons using the Australian netball 'Net, Set, Go' program. The program will run over eight weeks this term and aims to give our students fundamental skills in balance, footwork, hand eye coordination and strength/flexibility, with the end goal being that our students can enjoy a fun, yet competitive game of netball. We are pleased to have Mrs Mel Gleeson, the Development Officer for the Far West Academy of Sport, delivering the program for Netball NSW. The Far West Academy has many great sporting and educational opportunities as our students' progress through high school.

Author visit and workshops

On Wednesday our students were involved in workshops with an author of numerous children's books, Susie Sarah. Susie worked in each class; reading her books aloud, sharing her writing process and showing us how to create illustrations that enhance the meaning of the text. Here are the highlights from some of our students.....

"It was interesting to meet an author and hear her tell us about writing books and how to publish them."

Amelia Riesterer - Year 5

"It was really funny when Susie made us write poems about poo! We had to use poo as a rhyming word."

Jack Andrews - Year 5

"Susie Sarah was definitely a confidence booster. She was very inspiring as she showed us all her books and told us how she made her story happen." *Maryley Kerr - Year 6*

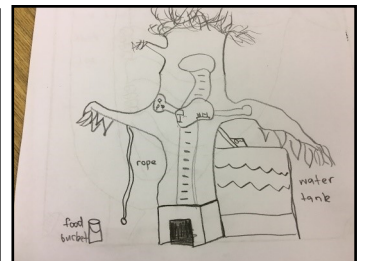

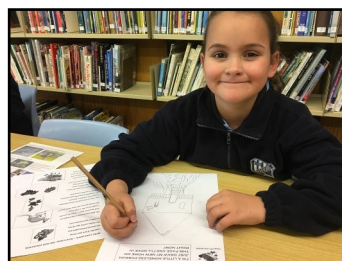

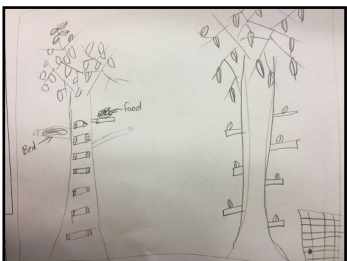

"It was really fun when we had to design a possum house."

Piper Mitchell - Year 5

"Susie Sarah made us write a poem about poo. She also told us a story about a big green tractor. Then she wrote her own story about it." *Shakiya Mill-Hull - Year 6*

"I liked her book about the possum and the children. I liked the drawings." *Mylie Glase - Year 5*

Improve your child's Maths in 10 minutes per day!

Are you looking for a quick, fun way to improve your child's maths? Each week this term we will publish instructions for a fun card game that you can play at home with your children.

Addition snap – Addition of number facts

You need:

- Cards 1(ace) – 9
- two players

Players divide the cards evenly. At the same time each player turns over one card. Players add the two numbers together as quickly as possible and say the answer aloud. The player who says the correct answer first, keeps the two cards. Play continues until one player collects all the cards.

Jacky Murtagh
Assistant Principal

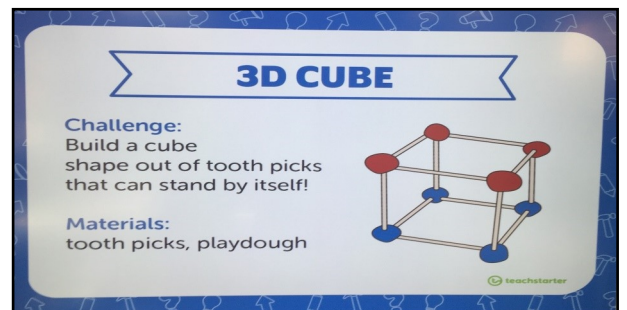

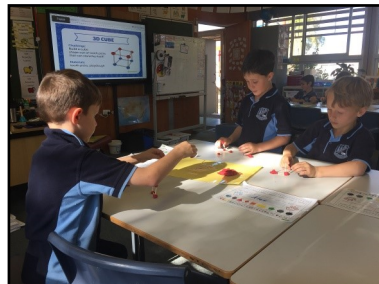

Primary Interest Groups - STEM Challenge

On Wednesday 31st July Primary students had a STEM Challenge where they had to construct a 3D cube. They were given playdough and matchsticks as resources and their brief was to construct a 3D cube that could stand on its own.

There were lots of discussions on how thick their playdough balls needed to be in order to carry the load. Students were given the choice to work independently or in pairs. As an extension, students were asked to add another cubic layer!

I wonder what the next challenge will be??!!

***Tell Them From Me* student survey:
Information and consent form for
parents and carers**

8th August 2019

Dear Parents and Carers

This term, our school is taking part in the *Tell Them From Me* student survey. The survey will provide us with valuable feedback on what our students think about school life, how engaged they are with school and the different ways that teachers interact with them. Schools in Australia and around the world have used the *Tell Them From Me* survey to help them improve. The survey is completed on-line and is run by an independent research company, **The Learning Bar**, which specialises in school-based surveys.

Staff in schools will **not** be able to identify individual students from their responses. To ensure confidentiality, participating students will receive a unique username and password. Where fewer than five students respond to a question, the results will be suppressed. The survey typically takes 30 minutes or less to complete and will be administered by the school during normal school hours. Once the surveys are completed by students, reports are prepared and in most cases are available to schools within three business days.

This survey will help our school better understand how to improve student wellbeing and engagement. It will help the school identify what works to improve student outcomes.

Participating in the survey is entirely voluntary. Your child will not take part if either you or your child do not wish. If, during the survey, your child is uncomfortable, he/she can choose to stop the survey at any time. The majority of questions in the survey can be skipped.

If you **do not want your child to take part** in the survey, please complete the attached form and return it to your child's school by Friday 23rd August, 2019.

More information about the survey and the research is available in English on the CESE website: <http://surveys.cese.nsw.gov.au/information-for-parents>
