	18/9	Yr 7 2020 Transition Day @ TCS 8.40am-3.00pm
	19/9	ICAS Online - Maths
	20/9	Yr 9 CSU Future Directions @ Dubbo - Depart TCS at 8.30am

Teach your children well

FROM THE PRINCIPAL

Hi everyone – TCS – We Care, we Aspire and we Excel!

MADD Spring Fair

Friday 13th September is our MADD Spring Fair. This is where we open our doors to our community for an afternoon of fun, food, dance and music. We hope everyone will come and join us and make it an afternoon to remember. We hope for good weather, but in the event of strong winds we will move the event to the Multi-Purpose Centre and its surrounds so regardless of inclement weather, like good Girl Guides and Scouts, we are prepared. Our fete is one of P&C's major fundraising events and a successful fete means more resources for your children. P&C fundraising has provided the seating under the bus shelter, the primary playground, the shade sails over this equipment, and newly arrived, an outdoor table tennis table for secondary. This is still on a pallet and we can't wait to see it assembled. It is a very good cause, so come along and support us.

Our Monster raffle has some fantastic prizes, thanks to the generosity of so many and to the letter writing of the primary students so please send back the tickets that every student has been allocated. There are more where they came from of course, so just ask and we will issue more.

Huge thanks to Kylie Moore and Kayla Nolan for braving horrible cold weather to sell tickets down the street. We really appreciate your efforts. We will be drawing the raffle at the Year 12 assembly but of course you don't need to be there to win and all prize winners will be notified.

Also thanks to Kristy Hill for volunteering to lend us her photographic expertise by helping to organise and judge the photography competition. Kristy will be assisted by senior students in the judging.

MAD Week

Last week was a truly mad week at TCS. We had so many excursions and activities for such a small school.

Year 7 went to the Blue Mountains and had an amazing week climbing mountains, abseiling, doing obstacle courses and generally developing their teamwork skills and learning about an area of NSW that is so very different to our own. Thanks to Mrs Anderson for putting up with sore feet and to Mr Troy Attenborough, intrepid wildlife commentator.

Year 8 travelled to Broken Hill for an exciting week in Pro Hart country. I started my career in Broken Hill and I loved it. I know that Ms Bretag and Mr McDonald also discovered what a great place it is. We have some fantastic photos but some terrible singing from the group.

Our Young Change Agents had an awesome three days in Melbourne where they presented their pitch to the Telstra Vantage Conference. The coaching with Adam Spencer and judging by the Mayor of Melbourne are just examples of the magnitude of this opportunity. Miss Press did a fantastic job preparing the teams so that they shone so brightly and did our school so proud, when they made their pitch to around 300 people. We deliberately sent Miss Press and Mr Hansen to experience this whole program so that they could bring back everything they had learned to our school so that everyone can benefit. We are already looking at how we can fit 'Project based learning' into our curriculum next year. As always, we continue to evolve, improve and grow.

Emma Edwards spent the week at State Athletics and secured a second place at this elite level. She now progresses upwards. We are so proud of you Emma and I am sure you could hear us barracking for you even from here.

Friday our school was gifted with a visit from a technology team who brought robots and Virtual reality headsets for all our students to experience. The faces of the Kindergarten students when they put the VR headsets on was a picture! Very soon we will be sending a primary representative, a secondary teacher and Mrs Andrews our technology support officer for further training in this amazing equipment. Such is the power and resources of Public Education!

Finally

My door is and always has been open – whether you are happy, sad or mad. I need to know if we are not doing something right but I also need to know that you trust our motives and our intentions. I do teach, so if you need to talk to me for any reason, just call the office and arrange a time that I am not on class or in a meeting. Also, don't forget our suggestion box at each side of the school.

Everything we do, every single day is for YOUR children. If we can do it better, tell us. Facebook is for cowards – so please tell us to our face!

Also, give your child the most valuable gift in the world – a good education – so send them EVERY day. We have a great school and it is such good value for very little money.

Head Teacher's Report

Learning: it's a team effort!

As our Year 12s wind their way toward their graduation and final HSC exams, and Year 11 gear up for their Yearly Examinations and the HSC courses to come, I'd like to take a moment to acknowledge the work that our secondary teachers do behind the scenes. Whether it's marking essay drafts on the weekend, preparing an amazing practical activity after school, doing an online course after dinner to improve understanding of the syllabus and how to teach it in an effective and engaging manner, or any one of a vast number of tasks that improve students' learning outcomes, our teachers are working tirelessly behind the scenes to support all our students. This is part of the job and, as lifelong learners ourselves, there is much to gain from these pursuits. But the reality is that we take time from our own families in order to support yours.

I would like to take the opportunity to say a massive thank you to our dedicated teaching staff, and remind our students (seniors in particular) that they have an active role to play in their own education, and that the more they put in, the more they will get out! We have a number of students looking at pathways to university and TAFE in 2020, as well as apprenticeships and work placements, and the learning, commitment, work ethic and curiosity that students develop now will stand them in good stead in their lives beyond school. This is how we learn with Knowledge and Honour!

Year 11 Exam Timetable

Preliminary Exam Supervision Roster

Week 9 – A

Time	M 16/9	T 17/9	W 18/9	T 19/9	F 20/9
Exam	PDHPE (9:05-11:10)	CAFS (9:05-11:10) SLR (9:05-11:10) Visual Arts (9:05-10:40)	Industrial Tech (9:05-10:35) Music (9:05-10:10)	English Standard English Advanced (9:05-11:15)	Advanced Mathematics (9:05-11:10) Standard Mathematics (9:05-11:10)
9.05-10.00	J Holden (remaining students to S Rush)	H Anderson (remaining students to S Press)	T Wright (remaining students to M Ebsworth)	T Wright (remaining students to T Jones)	J Holden
10.00-11.00	M Ebsworth (remaining students to T Jones)	D Trudgett (remaining students to J Skinner)	J Skinner (remaining students to D Trudgett)	S Press	A Wall (remaining to T Jones)
Recess 11.00-11.30	G Hansen	S McDonald (Period 1 leftovers to S Press)		S McDonald	A Wall

INSTRUCTIONS FOR STUDENTS:

- Attempt all questions
- You cannot leave an exam early
- Ensure your student name is written on each page of your paper
- Mobile phones must be switched off and remain in your bag

Bags are to be left at the front of the examination room

Trangie Netball

Good luck to many of our students and staff who will be taking on teams from throughout the Dubbo area in the Grand Finals on Saturday. Trangie Netball have five teams (the most of any club in the comp!) and we wish them the best of luck!

11yrs Montanna Gall
12yrs Zoe Andrews, Katelyn O'Neill, Ella Day & RJ Connor
Div 3 Cheyenne Kemp, Narelle Shillingsworth-Budd, Bridie Hayden, Daizie Smith, Stacey Stoneman & Hailee Bock

Technology Afternoon

Last Friday, we were lucky enough to have a team from the Department of Education stop by and treat our students to an afternoon of hi-tech robotics and technology. K-12 students programmed mini bots to follow a path using coloured pens, coded robots to dance using iPads, and experienced Virtual and Augmented Reality. This last session enabled students to swim with whales, zoom around the solar system and to go back in time to ancient Rome - all without leaving the hall! Thanks to the Google Exhibitions app, we also now have a T-rex living in the staff room! This technology will be available for a full term to TCS and I look forward to developing more experiences that will help our students learn about our world using the latest technology.

Year 7

BLUE MOUNTAINS CAMP

Teach your children well

Year 8 Broken Hill Excursion

then when Sonny asked for a photo, she put on her male voice and scared Sonny! When we finished dinner we went out to the Outback Astronomy. When we were out there we saw the main planets and the Southern Cross. Later that night Miss Bretag fell over and hurt her ankle. On Wednesday morning we had to take a detour via the hospital so that Miss Bretag could get her ankle checked. While she was at the hospital the rest of us went out to the Daydream Mine. At the mine we went underground 400m and when we finished walking through the mine we went back up to the office and had freshly baked scones and tea. After morning tea, we travelled out to Silverton where we visited a historical museum, then visited two art galleries and saw different outback art. When we finished, Alexi, Narelle, Sonny, Will and Makaila walked down to the Silverton Hotel for lunch which was delicious. After lunch we saw two donkeys that roam around the town and went to see the Mad Max Museum. While we were looking around, the lady told us about the different locations they filmed. On Thursday we went for a tour around the Living Desert and fed kangaroos. At the top we nearly got blown over by the wind! When we got back into town, we went on a tour around the town and saw the history in the town and also went to the Pro Hart and Regional Art Gallery. When we finished we went to the Chocolate Factory and saw the biggest canvas artwork in the world. To finish our exploring we went to Bell's Milkbar and had milkshakes. To finish our day we went to the Musicians' Club and played spotlight that evening.

You're Invited!

Assistant Principals' Report

MADD Spring Fair Eve!

There is now only ONE SLEEP to go until we celebrate Music, Art, Dance and Drama at our annual MADD night event. This year, MADD night forms part of the fun and festivities to be had at our school fete....so bring your friends, family and neighbours along to the fete, enjoy the lively atmosphere, buy some handmade items, a BBQ dinner and enjoy some terrific performances from our students!

All of the action will take place on the Secondary side this term. In the case of poor, windy weather, we will move into the hall and surrounds.

- Primary performances are detailed in the table below.
- All students should meet with their teachers 15 minutes before their set
- Children should be in costume please, clean faces and hands, hair brushed and tidy.
- Music students from Years 3-6 will also be performing on the 'Buskers stage'

Busker's Stage –

3.30-3.45pm Primary Music students – Remy, Carmen, Zalia, Jock, Ethan with Miss Roberts	3.45-4.00pm Year 12 HSC performers – Kayne and Naomi with Miss Roberts	4.00-4.15pm Woodwind students – Cam, Christian, Bridie, Tiffany, Indiana	4.15-4.30pm Singing lesson students with Miss Roberts
---	---	---	---

Main Stage -

Act 1		
Starting at 4.30pm. Children to assemble with their teachers at 4.15pm		
	Taiko Drums	
	Spring is a wonderful time to dance and sing	Year 3/4
	Jack and the Beanstalk	Year 4/5
	Karate act	Mr McDonald
	Here comes the sun	Kinder
Act 2		
Starting at 5.15pm. Children to assemble with their teachers at 5.00pm		
	Spring, spring, spring	Year 1/2
	The BFG	Year 6
	The Cup song	Year 11/12 music
	Year 12 Farewell act	Year 12
	Trangie Central School Choir	
	Spring time Hula	Aboriginal dance team

PSSA Athletics

Good luck to Tawhiao, Ethan, Noah, Phoenix, Piper, Jock, Ella, Montanna & Hayley who are off to PSSA Athletics at Barden Park in Dubbo tomorrow!

Premier's Spelling Bee Regional Finals

Our junior representatives at the Regional Finals, Drew and Zalia have completed their competition. Both children did their very best. Drew progressed through five rounds to make it to the pointy end of the competition. Zalia was unlucky to get a really tricky word early on. We are so proud of our little spellers!

Our seniors faced tough competition in Nyngan. Nate Mayes got the furthest out of our two boys today but in the end was outclassed by a triumphant trio of girls who did an extraordinary job with some very challenging words! Congratulations Nate and Marley for your efforts today.

Improve your child's Maths in 10 minutes per day!

Are you looking for a quick, fun way to improve your child's maths? Each week this term we will publish instructions for a fun card game that you can play at home with your children.

Make the largest number - Numeral recognition

You need a short deck 1 to 9

Players take turns drawing one card at a time until they have 5 cards. Each player makes the largest number they can and says the number. The person with the largest number receives a point. Play continues this way. After using all the cards in the pack, the player with the most points is the winner.

Primary Calendar

LST

Just like any other term, Term 3 has been huge. Trangie Central School students participated in Athletics in Dubbo, which I was lucky enough to attend and watch our students succeed, enjoy and have a top day with their friends and peers.

As an educator there is no better feeling than listening, observing and inspiring students to grow. In my role I am fortunate enough to see this daily, from reading, spelling, pronunciation of correct language, mathematical skills such as telling the time, letter formation, etc. I am so lucky!

During Interest Groups this term, my group participated in 'Old Fashioned Games'. Chocolate cutting with a plastic knife and fork, blowing bubbles, marbles, dodgeball, and elastics are just a few games that we have thoroughly enjoyed. Good old fashioned outdoor games.

LOTE has been successful once again and was very evident when Year 7 attended their Blue Mountains excursion and exposed this knowledge to a visiting Aboriginal Cultural Centre. Very proud of you Year 7.

Just to top off the term, students participated in a Netball and Touch Football Gala day Warren. Students displayed the skills of professionals. This is all thanks to Mel Gleeson and her continued commitment to TCS encouraging netball and football skills. Thank you very much Mel. I was certainly also impressed with the control of behaviour due to the 'Melbourne' like weather. It was hot, followed by a dust storm, wind and temperatures cooling down just before another huge dust storm hit. Well done TCS students.

G/N Netball & Touch Footy

On the 6th of September, TCS sent a senior netball team to Warren. We went really well on the day and won 3 games. We won against Tullamore, Tottenham and Narromine and tied against Warren. We all had fun on the day and some of us got a few injuries. We were very competitive! Our team also displayed amazing sportsmanship and enjoyed the opportunity to play against other towns and make new friends. Good job girls!

By Hayley Stephens

On the 6th September, Trangie Central School sent a senior team made up of students from Years 5 to 6 to Victoria Oval in Warren to participate in the mixed Gobondery/NARRAF Netball & Touch Footy Gala Day. On that day, our team won against Tullamore, tied against Warren and Tottenham and lost to Narromine, but all round the day was magnificent! We enjoyed playing against different schools, meeting new people and having the chance to make new friends. It was also an awesome opportunity to practise and show off our footy skills.

4th September 2019

RE: NAIDOC 2019 ACTIVITIES

The Trangie Local Aboriginal Land Council will be holding their Naidoc celebrations on Friday 25th October 2019 commencing at 10:00am. We would like to invite you to come along for the day to:

- Get out amongst a beautiful community and meet the people by having an information/promotional stand (supply own table and resources needed).
- Inform our community on what services you are able to provide in Trangie,
- Promote and recruit more clients/participants to events and training offered by your organisation,
- Meet the Trangie people,
- Showcase projects you are involved with so the community has a better understanding of what is happening in your organisation,
- Showcase how your organisation is there to help the wellbeing of its members and the Trangie community
- Meet commitments to governing bodies showing you are getting the message across to those that are in need

Date: Friday 25th October 2019

Venue: Wungunja Cultural Centre, 81 Dandaloo Street, Trangie

Time: 10am to 2 pm followed by Corroborree being held late afternoon

FREE: BBQ and refreshments

If you would like to book the date, we would appreciate your response as soon as possible together with a logo, for publicity purposes for information sent through within the community.

This event is being funded by Prime Minister and Cabinet Naidoc Grant and the Aboriginal Affairs Naidoc Grant. Further funding has been made available from ARTC for cultural workshops with the Trangie youth prior to the event.

Previous years has seen this event being very successful with the 3 schools located in Trangie attending during intervals throughout the day. Children from these schools will participate in activities that include dance, art and storytelling that build cultural knowledge and understanding.

If you would like further information regarding the day, and to register your interest, please do not hesitate to contact: Terrie Milgate, CEO, Trangie Local Aboriginal Land Council, Phone: 6888 7661, Mobile: 0427 887 476, Email: trangie.lalc@bigpond.com

Yours sincerely

Terrie Milgate, CEO
