	18/10	Yrs 3-6 Macquarie Sports Day @ Mudgee - Depart TCS at 7.30am

Teach your children well

Teach your children well

Teach your children well

FROM THE PRINCIPAL

Hi everyone - TCS - We Care, We Aspire and We Excel!

Congratulations on a fantastic fete

Friday's fete was a huge success and a really enjoyable afternoon. Everyone on P&C and on staff put in a massive effort to contribute to this success. Many people had both concert acts AND stalls to manage and they did this with consummate skill. The students excelled themselves in being helpful in setting up and running different activities. Everyone simply worked as a team to get it all ready and then to pack it all up at the end.

We intentionally created a lot of different activities for the students to be involved in so that it was a *Ready for action!* really fun event. The concert was a real highlight, with so many students having the opportunity to show off their talents. We discovered some well-kept secrets on the night too – Trey George and Cameron Clarke are destined to comedy greatness and Will Anderson will be on Wider World of Sport before we know it. We had some great, creative dancers in Year 3/4 and the TCS Aboriginal dancers, with front man Tawhiao Selway stole the show.

Quality Control

We were very excited to be able to use our new light towers for the first time and we felt very professional. Each year we try to improve the equipment that we have and we are now planning a link between the two towers to string lights across the middle, for next year's extravaganza. The sound and light team worked hard to learn a new system in the days before and they were indispensable on the night. Will Anderson, Trey George, Cameron Cook, Andreas Gordon and Ben Cook really showed their skill on the night. The opportunity to participate in such an activity is invaluable and teaches students a wide range of skills. In our school any student who wishes to be involved can be involved, unlike a big school where there is a lot of competition for such roles, and not many places.

External Validation

Next term it is our school's turn to be involved in 'External Validation'. This is a process where we have to evaluate our performance against standards set by the School Excellence Framework. We will assess ourselves against this framework and then provide evidence to support this assessment. Our whole staff has been involved in this process, putting in many hours discussing where we are at present, how we can prove this and then what are the next steps in our journey towards excellence. The phone survey of families that we carried out in Term 1 will be conducted again at the beginning of Term 4 and your responses to these surveys will be used to inform our assessment and inform our planning for the future. We feel it is essential to address any issues raised and also ensure that our school meets the needs of the community. There are other ways to make comment on a regular basis, of course, by way of our twice termly P&C meetings and the Suggestion Box (*pictured to the right*) one of which is placed on both sides of the school.

Staffing News

Next term we are very sorry to see Mr Troy Jones head for Dubbo for a short spell of leave, until Term 4 next year. Whilst on leave Mr Jones will be working at Skillset Senior College and having a very different teaching experience. Mr Jones has been with us for a long time and I am sure that a change will be as good as a rest. Hopefully he will realise what a wonderful school Trangie Central is and be back very soon. We have advertised an Expression of Interest for Mr Jones' replacement, starting next term for 12 months. If you know of anyone who might like to apply, please let them know that this is a wonderful school to work in with an amazing and dedicated staff.

Finally

My door is and always has been open – whether you are happy, sad or mad. I need to know if we are not doing something right but I also need to know that you trust our motives and our intentions. I do teach, so if you need to talk to me for any reason, just call the office and arrange a time that I am not on class or in a meeting. Also, don't forget our suggestion box at each side of the school.

Everything we do, every single day is for YOUR children. If we can do it better, tell us. Facebook is for cowards – so please tell us to our face!

Also, give your child the most valuable gift in the world – a good education – so send them EVERY day. We have a great school and it is such good value for very little money.

Walanginya Yawarra-ndhu (Be good, be careful)

Head Teacher's Report

What a massive term!

Term 3 has just been huge. With our Stage 4 and 5 excursions, Trial and Yearly exams for our seniors, and the many other excursions and activities we've had on offer, it's really been hectic. A massive thank you to all our staff and students who work together to make the most of these opportunities, all while trying to make the most of everything our syllabuses ask us to learn about and how to do.

Year 12 Music HSC

Our Year 12 Music students Kayne Pratt, Naomi Blewitt and Kaylan Villa are very happy they completed their HSC Music Practical Exam last Monday. We wish them and the rest of Year 12 all the best for their HSC exams!

RAMS Reward Day - Long Lunch with Mr Jones

Congratulations to the following students who have earned themselves a leisurely, long lunch with Mr Jones for the RAMS Rewards Day this term.

Year 7 2020 – first Transition day done & dusted

On Wednesday most of our Year 7 class of 2020 joined us on the secondary side for their first taste of high school life. They learnt that we start 20 minutes earlier than they're used to (which could be "devastating", according to Marley Kerr), that you can make "taties" float if you add enough salt to the water, and completed a number of fun activities with different teachers throughout the day, concluding by joining a Sport of their choice. They made their way confidently from classroom to classroom as the day progressed, and all of their teachers were so keen to tell me how well they had done.

We began the day by brainstorming students' expectations of high school, and then they used their imaginations to draw or write a story about their first day next year. Here is a sample from some of the responses:

"My first day of Year 7 would be scary and very different. It would be very confusing trying to keep track of your timetables, and people's names that are in your classes for the day. My favourite subjects next year would have to be Cooking and Sport!" **Shakiya Mill-Hull**

"My first day for Year 7 I would probably be scared and I would make new friends. My favourite subject would be Sport and Art and it would be fun." **Ella Day**

"First thing will be starting 20 minutes early – at the end of the day I think I will be very tired from the long day." **Daniel Russell**

"My first day of high school is going to be weird because you have to make new friends. I am excited to meet new people and play and learn with them. It is going to be weird that we are going class to class." **Lily Walker**

"On the first day I would get off the bus and be lost. I think once I find my friends I would probably ask where we are going. I'm excited to start as I know I will make new friends and get used to it." **Hayley Stephens**

"As I step foot into the school grounds I feel my nerves shiver down my shaky spine. I can hear the kids screaming and playing before the bell rings. I can feel the weight of my school bag hanging on my shoulders like I am weightlifting. I will get used to high school." **Josh Toby**

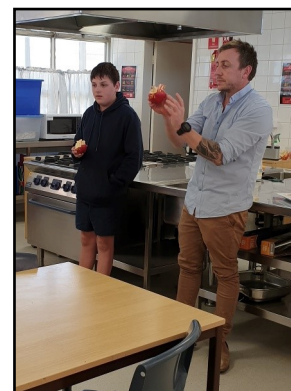

"The first day of Year 7 will be nerve-wracking because I have to meet new people and carrying books will be pretty heavy. I will probably not know how to understand the timetable, also I won't know where the classrooms are." **Troy Sibley**

"Year 7 will be different and nerve-wracking for me. It would be fun and I can't wait. I probably won't know much about high school, but I will give it a try." **Charlie Kerr**

I hope that, with our two remaining Transition Days to come (in Weeks 1 & 3 next term), some of these fears will be soothed!

Kate Wilson

Head Teacher / Year 7 Transition Coordinator

Teach your children well

Assistant Principals' Report

Thank you!

As the term draws to an end we would like to thank our parents and community for once again getting involved with the school and working with us to achieve the best results for each child in our care.

Thanks to:

- * Parents who helped bake, pot up plants, run stalls and turn up to support our Fete on Friday night. The event seemed to run smoothly and the children had a great time playing with their friends, performing, being shopkeepers and generally just soaking up the happy, community atmosphere.
- * A big thank you to David & Sue Lomax from Red Rooster in Dubbo for their generous donation of Red Rooster merchandise for our MADD Spring Fair all thanks to Matilda Anderson's lovely letter to them. They drove all the way out to TCS to personally deliver these goodies.....THANK YOU!
- * Mrs Dennis for coming in to school each week to listen to our students read.
- * Mel Gleeson for running an eight week netball skills program with students from K-6. The students have really looked forward to the lessons, have improved their skills and have thrived with your enthusiastic approach.
- * Parents who take their children to events and trials including G/N and Western cricket, Western Athletics, the Premiers Spelling Bee and Moorambilla Voices camps.
- * Families who donate items for the use of our students including books, sports equipment, surplus uniforms and board games.
- * Families who return permission notes promptly, come along to P&C meetings, attend parent/teacher interviews, contact the school regarding student absence, keep sick children at home so as not to infect everyone else and just generally contribute to the smooth, efficient running of the school.

Western Athletics

Last Friday a team of eight students travelled with their families to Barden Park in Dubbo to compete in the Western Athletics trials. These children came first or second at our school carnival, competed at District level in the Gobondery/NARRAF competition where they came first or second and then made it to Western level. We had a boys and girls relay team competing as well as students competing in individual events. We congratulate the team on their efforts, sportsmanship and behaviour on the day.

List of events

Ella Day – relay
Montanna Gall – relay, shot put, discus
Hayley Stephens – relay, shot put, 100m
Piper Mitchell – relay, shot put
Jock Kater – high jump (Jock withdrew from other events due to illness)
Tawhiao Selway – 100m (3rd place) relay
Ethan Foster – relay
Phoenix Fahey – relay, 200m (4th place)
Noah Clarke - relay

Environmental Education Incursion

"Mrs Bowen visited today from a company called Impact Environmental. She gave us a few different talks about the importance of recycling and what we can do to help our environment. First we did an activity where Mrs Bowen showed us a packaging product and we had to move to the picture of the natural resource it was made of eg oil, trees, metal, sand or bamboo. Then she put us in groups and gave us a product that we had to answer a few questions about; like what on the product was recyclable, was there a better choice than buying the product and what our product is. After that we looked at something called 'recycle' where you can recycle your soft, squishy plastics. The closest redcycle bin for Trangie is outside Coles in Narromine.

With Mrs Bowen we also talked about climate change, what you can and can't put into green and yellow bins and then we talked about the landfill problems. It is bad for the environment because it produces lots of methane which is one of the greenhouse gasses that makes climate change." – **Cam Broughton, Year 5**

"Today in class, Mrs Bowen visited from Impact Environment. Mrs Bowen taught us about what the point is of packaging. The point of packaging is so if you have a fragile item like eggs you can carry them to where you need to go. Mrs Bowen also taught us a bit about landfill." – **Nate Mayes, Year 5**

"...One of the big, important things that Mrs Bowen taught us was that natural resources are used to make packaging. Most are not renewable. Oil makes plastic and trees make cardboard." – **Austin Ball, Year 5**

"Today in our class, Mrs Bowen visited to tell us about packaging and how to recycle all of our rubbish. If we didn't have packaging all our stuff would break (if it's really delicate) or if you have to buy meat your food could have hair or dirt or even germs on it.

Recycling is a big thing in our country because our landfill is really disgusting because some people are not recycling and some people don't care and just put it in any bin which means our environment is filling up with rubbish." – **Piper Mitchell, Year 5**

"Mrs Bowen visited from Impact Environmental and taught us more about recycling. She told us how we can stop plastic from going into landfill. She said that there are bins outside Coles in Narromine so we can put our soft plastics in there and they won't be buried in landfill but turned into furniture in Victoria. It is called redcycle.

Mrs Bowen also said that we can choose different things in the supermarket like buying a big packet of chips and putting a handful into a container to bring to school instead of buying a box with 20 little packets which create more plastic waste." – **Jock Kater, Year 5**

Good Luck!

Next week, from Wednesday through to Saturday, three of our Primary students will be attending the final Moorambilla Voices music camp at Baradine. The children will be camping in cabins at Camp Cyprus and will be working hard to rehearse the choral pieces and dances for the three Gala Concerts that take place at the Dubbo Regional Theatre on Friday the 27th and Saturday the 28th of September.

The Moorambilla program is intensive and NOT for the faint hearted. There are very high expectations on the participants in regards to concentration, effort and behaviour. The resulting concerts are always spectacular and showcase the extraordinary skill of the staff in preparing almost 300 students from all over western NSW to work together as a team and perform at a high level.

We wish you all the best Kestrel, Christian and Phoebe! We also wish Phoebe a very happy birthday, which she will celebrate away from home, with her Moorambilla friends. If you would like to attend a concert and see what it's all about, you can buy tickets through the DRT website.

<https://www.drtcc.com.au>

IMPORTANT REMINDER

From day one of next term, all Primary students are expected to wear the school bucket hat for sun safety reasons. This is a NSW Department of Education rule. Students who do not have a hat will only be able to play under the COLA area.

Over the holidays it would be good to check that your children all have a school hat with their name clearly marked on it. New hats can be bought from the front office for \$15.

GREAT Christmas gift ideas from our P&C

The crazy camel fundraiser is happening again this year and we are asking all families to think about what they would like to order. Children will be completing art works at school at the end of this term and start of next term. The art will be sent away in Week 2 of Term 4 to allow plenty of time to get our products back before the end of term. They make a great gift for friends and family and with Christmas 14 weeks away you can get some of the shopping out of the way while raising money for our school. Samples are available to view at the school office. – Kate Broughton on behalf of the TCS P&C

Math Games

With Cards

Improve your child's Maths in 10 minutes per day!

We hope you have enjoyed the series of card games that have been published in the newsletter each week this term. If you have been playing any with your children we would love to hear which were your favourites and if you have noticed an improvement in your son/daughter's maths skills.

Salute - Addition and subtraction

You need:

- a short deck 2 to 10
- 3 players

Deal one card each, face down. When the dealer says "salute", each player raises the card to his or her forehead. The dealer states the total of the cards. Each player has to determine the value of the card being held to his or her forehead by looking at the other person's card and subtracting this amount from the total.

This can also be played with multiplication.

Variation

The dealer looks at the colour of the cards. If the colours are the same the dealer adds and if the colours are different, the dealer multiplies. This time, the player has to state both the colour and the value of the card being held.

Guest Speaker Visits Year 3/4

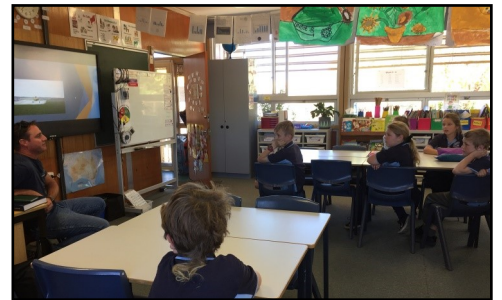

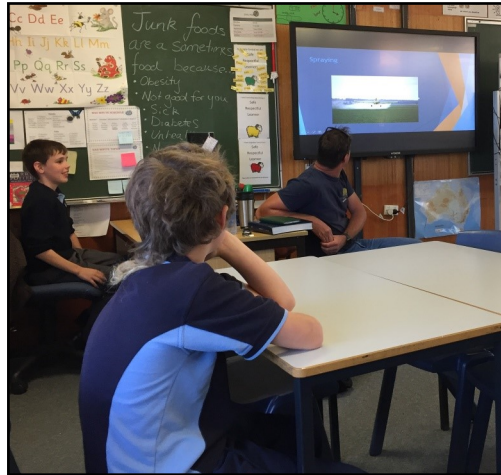

On Wednesday 11th September, Year 3/4 were fortunate enough to have one of our dads come to visit and share his stories and passion about his role as an aviator.

Reggie Thomas's dad, Matt Thomas dropped in to share some amazing pictures, videos and stories about his life as a crop duster and aerial firefighter. Reggie created a PowerPoint to help his dad share his stories, even dressing up in his dad's safety equipment.

fire fighter, both here in Trangie and abroad in the USA. Reggie created a PowerPoint to help his dad share his stories, even dressing up in his dad's safety equipment.

Year 3/4 had a million or more questions for the whole session and we would like to thank Matt and Reggie for sharing with us tales from the air!

Alissa Miller - Year 3/4 Teacher

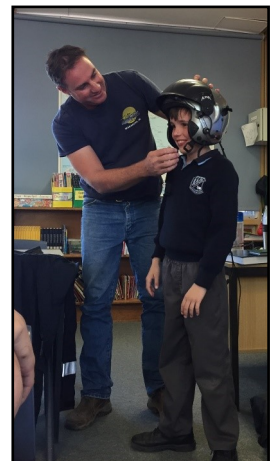

There was a man who came to our class and his name was Matt. He came to our class to talk about his job. Matt came to our class to talk about his job as a pilot. He is a crop duster and an aerial fire fighter. He sometimes works in Australia around NSW as a crop duster, but since there is a drought it makes it a lot harder to work, so he goes to America to do it. He is also an aerial fire fighter.

By Phoenix Fahey

Matt Thomas (Reggie's dad) came to school and told us about his career as a pilot. Matt started to tell us about what it's like flying a plane and putting out fires. Then he told us about what the liquid is that puts out the fires. He also showed us his pilot's licence and told us how to earn one. Matt told us how long he's had his licence for and he's had it for 17 years! He told us he had two jobs and both of them had to do with piloting. His first job was as a crop duster, his other job is an aerial fire fighter. He showed us what he wears when he is putting out fires, he also showed us the instruments of a plane. He let us have lots of questions, then he left.

The Crazy Camel Fundraiser is happening again this year.

With Christmas not too far away, this is a great opportunity to organise personalised gifts.

Order forms are on their way home to families. Please return these by the end of Week 1, Term 4.

ORDER FORM

-Order keepsakes featuring your child's artwork-

Child's name: _____

Parent's name: _____

Parent's phone: _____

Classroom name/number: _____

Return to school with payment by: Monday 21st October 2019

☐ Photo sent via www.submitphoto.com.au

Submitphoto invoice number: _____

Photos and Artwork to be submitted by the date above please.
Please make payment payable to Trangie Central School.

	Art Qty	Photo Qty	Unit Pricing	Total \$
Calendars			\$14	
Greeting Card			\$14	
Diaries			\$18	
Notebooks			\$18	
Sketch Pads			\$18	
Pillowcases			\$25	
Tea Towels			\$25	
Tote Bags			\$25	
Total amount				

Calendars

- A cherished reminder of your child's artistic achievement featuring one piece of your child's artwork or that special photo gloss laminated, wire bound with 12 tear off months on quality paper.
- School term and public holiday dates, activity stickers along with plenty of room for noting special occasions.
- Name and age as created by the artist is printed under the artwork along with the School/Centre name and/or logo
 - photo calendars do not show name or age.
- Single or dual photo option.
- A4 (300 x 210mm) printed and laminated artwork or photo with A4 calendar attached below.

Greeting Cards

- Beautifully presented quality A6 (155 x 110mm) cards featuring your child's artwork or photo per pack of 8 cards.
- Name and age as created by the artist is printed on the back of art cards along with the School/Centre name and/or logo.
 - photo greeting cards do not show name or age.
- Blank inside for your personalised message.
- Shrink wrapped in packs of 8 including red envelopes.

Diaries, Notebooks & Sketch Pads

- Convenient A5 (210 x 150mm) featuring your child's artwork or family photo printed and laminated on a hard cover wire bound book designed to lie flat and stay open.
- Name and age as created by the artist is printed on the inside of the front cover.
- Diaries have a view of the week at a glance, each double sided page displays a full week and includes public holiday and school term dates along with a year planner.
- Notebooks have 150 ruled pages.
- Sketch Pads have 150 blank pages.

"every child is an artist"
PABLO PICASSO

Pillowcases

- Quality pillowcases featuring either an individual artwork or that special family photo.
- Pillowcases are 750 x 450mm with the image up to 500 x 400mm digitally printed on 100% Cotton
- Name and age as created by the artist is printed under the artwork

Tea Towels

- Fantastic tea towel featuring either an individual artwork/photo or group artwork/photo.
- Tea Towels are 700 x 500mm with the image up to 500 x 400mm digitally printed on 100% cotton.
- Name and age as created by the artist is printed under the artwork

Tote Bags

- Amazing tote bag featuring either an individual artwork/photo or group artwork/photo.
- Tote bags are 100% Cotton Calico. 370 x 420mm, 100mm gusset, with 550mm Handles.
- Name and age as created by the artist is printed under the artwork

To submit a photo

- Submit your digital photo and add text e.g. "Amy & Jack at the beach" via www.submitphoto.com.au
 - click "School Orders" and then click "Submit Photos" and select your product
 - you will receive a confirmation email please include a copy of the invoice number with your order
- Or send a CD/DVD/Memory Stick with the photo in .jpg format 250kB or larger.
 - label or include a file with name of child, school, class and quantity ordered
- Only send a printed photo (6x4" or larger) if you cannot send in digital format.
 - home printed photos are often not suitable for scanning and/or enlarging

Friday turned out to be a perfect day for our MADD Spring Fair. A big THANK YOU to all the parents, care providers, staff and students who created posters, helped set up stalls, volunteered their time to man the stalls and clean up afterwards. We had many winners on the day in the photo competition, footy toss, soccer striking competition, hedgehog stall, farmers challenge, bottle stall, and knock-n-downs. Many of the prizes given out at the fete were kindly donated by local people and business, including Diana and Ken Hilder, Red Rooster Dubbo, McDonalds Dubbo.

We had many talented students and teachers in our school who entertained us throughout the afternoon. Kindergarten were extremely cute, our dancers displayed rhythm and coordination we all wish we had and there are few high school students who I would not like to go a round with.

Our mega raffle is still running and will be drawn after the Year 12 formal assembly in Week 10. If you would like to buy tickets, they can be purchased from the front office at the school. I would like to acknowledge the sponsors of our mega raffle:

Bringing services to your community

16 September 2019

To: Trangie Central School

Service NSW is increasing access to NSW Government transactions and services in NSW through a new offering, Mobile Service Centres.

Mobile Service Centres launched earlier this year and provide access to transactions and services that are available at Service NSW Centres. They are custom-fitted buses with dedicated Service NSW staff on board to provide support to our customers across a broad range of services including:

- Renewing a driver licence or vehicle registration
- Processing of Medical and Mobility Parking Permits
- Processing of RSA and RCG cards
- Undertaking driver knowledge tests
- Applying for births, deaths and marriages certificates
- Applications and Renewals for Working with Children Checks
- Consulting with a Cost of Living specialist for help accessing more than 40 government rebates and savings.

Mobile Service Centres will accept cashless payments by credit and debit card or cheque.

The Mobile Service Centre will visit every eight weeks. Our next two visits for Trangie are scheduled for the 24th September and 19th November 2019. Please check the website for the latest information on service locations and opening hours at service.nsw.gov.au/msc.

Yours sincerely

**PUBLIC EDUCATION
FOUNDATION**

For the 2020 school year, the Public Education Foundation is offering the largest-ever number of scholarship opportunities dedicated to supporting Indigenous students attending public schools across Australia.

FOR PRIMARY STUDENTS:

Una May Smith Scholarship

Supports a student attending a NSW Public School from Year 1 through to the fourth year of university.
publiceducationfoundation.org.au/una-may-smith-primary-scholarship

Rural and Remote Indigenous Primary Scholarship

Supports Indigenous students enrolled in Australian public primary schools in a rural or remote area.
publiceducationfoundation.org.au/rural-and-remote-indigenous-primary-scholarship

Applications for primary student scholarships close on Tuesday 24 September 2019

FOR SECONDARY STUDENTS:

Una May Smith Senior Scholarship

Supports a student attending a NSW Public School from Year 11 through to the fourth year of university.
publiceducationfoundation.org.au/una-may-smith-secondary-scholarship

Aboriginal Education Council

Supports Indigenous students enrolled in NSW Public Schools to successfully complete their senior years of schooling.
publiceducationfoundation.org.au/aboriginal-education-council-scholarship

Rural and Remote Indigenous Secondary Scholarship

Supports Indigenous students enrolled in Australian public schools in rural or remote areas. The scholarship will provide financial support to students.
publiceducationfoundation.org.au/rural-and-remote-indigenous-secondary-scholarship

GO Foundation – PEF Scholarship

Supports Indigenous students to successfully progress through school to completion. Scholarships are provided in a collaborative model with partner organisations and provide access to cultural mentoring, corporate mentoring and pathways to post-secondary education and employment. These scholarships are available to students in metropolitan NSW and South Australia

FREE COUNSELLING

Relationships Australia.
NEW SOUTH WALES

Free Counselling

70 years of experience in relationship
work, we offer information and services
to help Australians get through tough times
and deal with individual and family matters.

We know this big dry is hard to bear at the moment.
If you would like to chat with someone to discuss your
daily struggles, call us to arrange a free chat.

We understand that you may not want to burden
family or friends with your issues, we are here to help.

Relationships Australia, Bathurst Centre, is offering
FREE telephone counselling to individuals who are
doing it tough during this drought.

This service is available wherever you are located,
meaning support can be accessed without even
needing to leave your property. If you can get to
Bathurst, you can meet face to face with a counsellor
in our centre.

**Remember to mention you are drought effected
when you call to book.**

We can support you with:

- Stress & anxiety
- Relationship difficulties
- Dealing with depression

LIVING WELL PHOTOGRAPHY COMPETITION 2019

1st Prize: \$300

2nd Prize: \$200

3rd Prize: \$100

THEME: MY TRIBE

We are social beings. We connect and interact with people and places
that we feel close to. Environments where we feel safe, secure,
strong or supported. We are seeking photographs that portray people
that you feel comfortable around and/or places that you feel
comfortable being. It could be your family, relatives, friends or an
iconic person in your life. It could be an event that you attend,
gathering that you hang out at, or a place that you visit to refresh
and be inspired. Tell us about the people and places where you feel
acknowledged, accepted, loved by submitting a photograph with a
title and description (maximum 100 words) that captures your idea.

SLHD Staff Award \$100
Technical Award \$100

Work at the election

Fact sheet

This fact sheet provides information about working at the NSW Aboriginal Land Council election

The NSW Aboriginal Land Council (ALC) election is on Saturday 30 November 2019 and we are looking for
Aboriginal people to work at this election. Working at the election is a great way to earn some money, learn
new skills and help your community have their say.

What jobs are available?

1. Election Official
2. Polling place Manager
3. Senior Office Assistant Pre-poll
4. Office Assistant

How do I apply?

Register your interest

Register your interest to work at the election. Email: eoielections.nsw.gov.au

Complete an Application

To apply for work at this election fill in an expression of interest (EOI) form.
The EOI opens on 2 September 2019.

You must be over 18 years of age and on the electoral roll for the Federal, State or Local Government
elections to work at an election.

Information is available to help you fill out the application form at: elections.nsw.gov.au/NSWALC19
